Global Corruption

By Irshad Mahmood – Director, Global Right Path

Global Corruptions are increasing due to disturbance in the Global system caused by disobeying Allah (Ref: Al_Quraan_030:009-010, 007:096). References in the Quraan are a lot, but I have mentioned few just to let you know that there is real solution in the Quraan (the Book of Guidance for the humanity).

Here I would like to give you one example. See the dogs in the western country, how disciplined are they and not barking at one another compared to third world. Just as a test do one thing. Get 100 dogs and put them on full hunger and thrust for 48 hours and then just give one small piece of meat which is even not enough for a single dog. For sure you will see that they start barking and fighting each other. Same is true when Global people become greedy. Few people get some and rest get nothing, because of that corruption starts there. Now you have already started hearing corruption here and there all around the globe. There is only one solution to come towards Allah by fully practicing the Quraan to stabilize the Global World. Global System must needs to be changed in the light of the Quraan to serve the humanity. Now it is a real **EMERGENCY** to fix Global System.

Auliyaas and Global Auliyaas are already calling people to come towards Allah by following the Quraan, and now it is people's duty to listen and follow them and make sure to verify them from the Quraan as well.

Before the Global System gets stabilized, everyone needs to work as a team to help each other.

If Allah has given you wealth, help the Needy from your wealth.
If Allah has given you good health, sincerely help those who need assistance.
If Allah has given you the strength, sincerely help those who are weak.
If Allah has given you good knowledge, sincerely educate others.

Similarly, if one region is rich in minerals, then others could be rich in oil or gas or foods or even manpower etc. Global System must be balanced by sharing all these resources in a balanced way, otherwise more and more disasters may come in the shape of poverty, and innocent people may not have any choice than come to street violently, since they cannot see their infants crying for milks, foods and other basic needs.

Avoid loans, avoid wastes and stop greediness as much as possible keeping in mind "**HOW MUCH IS TOO MUCH**", to help stabilized the Global World (Ref: Al_Quraan_009.060, 025.063-067).

It is time now to open our eyes and correct ourselves to serve the humanity in the light of Quraan, since the Quraan gives the true guidance to fix the system to save the Humanity in a balanced way (Al_Quraan_002:002).

Allah Never Destroys any Good Nation (Ref: Al_Quraan_011.116-117). Do not turn out people from their homes (Ref: Al_Quraan_002:084). Saving a Life is like Saving the Whole World. (Ref: Al_Quraan_005.032). There is NO Compulsion in Religion. (Ref: Al_Quraan_002:256)

We all need to help as much as we can to build the Global World for the better future for our kids, only then we can hope that our kids will have good fruits of it and will pray for us. Educate yourself including your kids and keep your knowledge up to date according to time, as much as possible without wasting a minute. If you have good knowledge, you must teach others or share with others for free if possible (Ref: Al_Quraan_096.001-005).

If you lend unto Allah a goodly loan, He will multiply it for you and forgive you; and Allah is the Multiplier (of rewards), Forbearing, (Al_Quraan_064.017)

Charities are only for the poor and the needy, and the officials (appointed) over them, and those whose hearts are made to incline (to truth and including those who are confined in the way of Allah) and the (ransoming of) captives and those in debts (including students) and in the way of Allah and the wayfarer; an ordinance from Allah; and Allah is knowing, Wise. (Ref: Al_Quraan_009.060, 002.273)

Think of old time ten organizations in which one thousands of employees working in each organization. Then came industrialization and heavy machinery and robots took places of human. Naturally many of the workers got Layoff and are off the jobs. Initially these Businesses thought that they will save lots of money by Laying off those workers, but did not realize that those were also customers of other industries as well. BUT due to Layoff, they don't have enough money now to buy, so in reality those businesses lost their customers as well by Laying off their employees. This is just a simple example to start understanding the consequences which could be

much better if we think about saving the humanity. Yes, industrialization and robotics are very good but we need to start thinking **DIFFERENTLY** to save the humanity to build Whole New World. There could be many projects we can collectively initiate at Global Level to provide those laid off workers. **Remember: Layoff means more Poverty and more Crime, unless Employer must have been provided to lay off people guaranteed alternate options for their survivals. Services cut down at Hospitals means danger to our health, Services cut down at Fire Station or Police means our life/security is in more danger etc.**

People do not have any plant/tree which grows money, since Money does not grow in any plant/tree.

Money is not a concern for the Global Recovery, but it is the Global System, which needs to be fixed.

It is not the Wealth (Gold or Silver) or Power which could save the Global World from Global Recession. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crime against humanity and nothing could save them including their wealth, power or people etc. (Ref: Al_Quraan_029:039). World didn't end there, but even without their wealth and power, it had re-developed.

Locally I am Sorry Globally YES we can Recover Global World with 100% Guaranteed upon FULL support from Global People, Inshaa Allah (by God willing).

I invite you all to join this Noble Mission and invite others to join it to save the humanity without any discrimination of religion, race, color, gender, language or nationality etc.

It will be a Great Global Charity to save Global Humanity and Allah will give Great Reward, Inshaa Allah.

Thinking locally while living in Global World will not save our Global World.

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation or Global World. Do not even think to try to re-appoint those who were failed to protect the corruptions in the land.

Neither I am a singer nor a poet
No one can fix the world alone

Rather an activist for the Whole New World
Together, we will achieve our Heavenly Goal

**NO CLOSE DOOR MEETINGS & NO HIDDEN SECRET AGENDA
WORLD HAS ENOUGH TO FEED BUT NOT GREED**

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation. Do not even think to re-appoint those who were failed to protect the corruptions in the land.
