

In the Name of Allah, Most Gracious, Most Merciful

Global Forgiveness

By Irshad Mahmood – Director, Global Right Path

Although many have already realized to have one world and presented many documentaries regarding it, which are widely available on internet, however it has been observe that still there are alarming number of people advancing towards point of no return and everybody is pointing five fingers on others, due to lack of Global Tolerance and Global Friendship which cannot be achieved without Global Forgiveness with true repentance and true love.

To stabilize Global System, everyone needs to work as a team to help each other with true justice. It will be totally unfair if a person or a group or a nation forcefully grabs whatever he/she/they can, which might be labeled as **Mr. 100 %**. Recognizing each and every person/group/sect etc. at all levels is the key to save the global world. Many times those who deserve to be recognized due to their noble efforts are neglected by those who are in power.

It is ok if a person/group/sect/province/country wants separation to have freedom, he/she/they will still be part of global world, since there is no compulsion in religion/beliefs etc., (Ref: Al_Quraan_002:256). Allah has made tribes/nations and no one has right to force others, (Ref: Al_Quraan_007.160, 049.013).

Similarly, it is ok if two or more persons/groups/sects/provinces/countries want to join together and reconcile their thoughts, since there is no compulsion in religion/beliefs etc., (Ref: Al_Quraan_002:256).

For an expanding universe it is necessary to rethink and redevelop our global world. **Below are golden advises for better service to the Global Citizens:**

If a city's population increases over 7,000,000, it must be divided into two cities.

If a province's/state's population increases over 30,000,000, it must be divided into two provinces/states.

If there are large group of people above 7,000,000, of different faith/believe/sect/language etc. in a province/state, it must be divided into two provinces/states without breaking countries. **Cross marriages among different sects is the key to keep them unite.**

Governments must support all friendly interfaith dialogues on a regular basis to build Heavenly Earth.

There must be true reflection of presence of all minorities at each level in public and private sectors as well as in defense and in law and order enforcing authorities in a balanced way. Western countries have already started doing justice with their minorities and you will sure find reflections at many levels and Canada is leading the world on this issue to recognize all minorities and their citizens are proud to be called themselves as Canadian.

Avoid loans, avoid wastes and stop greediness as much as possible keeping in mind **"HOW MUCH IS TOO MUCH"**, to help stabilized the Global World (Ref: Al_Quraan_009.060, 025.063-067).

Now it is time to open our eyes and correct ourselves to serve the humanity in the light of Quraan, since the Quraan gives the true guidance to fix the system to serve the Humanity in a balanced way (Al_Quraan_002:002).

Allah Never Destroys any Good Nation (Ref: Al_Quraan_011.116-117). Do not turn out people from their homes (Ref: Al_Quraan_002:084). Saving a Life is like Saving the Whole World. (Ref: Al_Quraan_005.032). There is NO Compulsion in Religion. (Ref: Al_Quraan_002:256)

We all need to help as much as we can to build the Global World for the better future for our kids, only then we can hope that our kids will have good fruits of it and will pray for us. Educate yourself including your kids and keep your knowledge up to date according to time, as much as possible without wasting a minute. If you have good knowledge, you must teach others or share with others for free if possible (Ref: Al_Quraan_096.001-005).

If you lend unto Allah a goodly loan, He will multiply it for you and forgive you; and Allah is the Multiplier (of rewards), Forbearing, (Al_Quraan_064.017).

Forgiveness without Repentance has no Meaning and is like a joke/fun with Allah (God)

Respect all Humans, without any kind of Discrimination of Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old
