**Global Solution to Privatization**

By Irshad Mahmood – Director, Global Right Path

Global World is facing a Global Economic Disaster, because of which they are doing **Privatizations** one after another, all around the world and **so it needs Global Revolution in an emergency**. After inventing Supersonic Fast Machines and Robots, day by day many people started losing jobs. Before, these people were good customers, but now they don't have enough money and their pockets are torn off, which means many businesses started losing Good Customers. **Privatization without Global Savior System is Crime against Humanity**, and later it falls on Businesses as well and they start downsizing as well as shutting down. Neither can you save it by giving stimulus packages to businesses nor can you save it by giving donations or loans to the businesses. **A single machine may replace thousands of humans BUT not a single human can ever replace a single machine**.

We don't know exact date when Global Poverty and Global Famine started, either hundred years, or five hundred years or thousand years, but for sure we have the solutions in the Quraan, which teaches us to **come to the common point** without any discrimination of Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old, etc., (Ref: Al\_Quraan\_002.256, 002.286, 003.064, 005.005, 005.035, 006.132, 013.011, 017.019, 018.029, 020.015, 028.084, 030.022, 042.030, 046.019, 049.013, 053.031, 053.039, 076.003, 091.007-010). **It is 100% guaranteed to save the world and to help build our Heavenly Earth. If we truly apply the guidance given by the Quraan, we can re-develop the world through our own Great Global Revolution**. In simple terms **"NO CHANGES WITHOUT ACTIONS"**! It is time now to open our eyes and correct ourselves to serve the humanity in a revolutionized way in the light of Quraan, in which all including Rich & Poor can live safe and sound, since the Quraan gives the true revolutionized **guidance** to fix the Global System to save Humanity in a balanced way (Ref: Al\_Quraan\_002:002).

**Only True Love with Humanity** in the light of the Quraan can save Global World with **100% Guaranteed**. **We must join together to fight against Global Poverty and Global Famine. Plant Fruits and Vegetables etc. in your backyards, on the side of the streets, and parks etc. where ever it is possible and permissible by your governments**. If you get more fruits and vegetables etc. than what you need, then share it with your neighbors, Friends and relatives and support following programs from the depth of your heart to fix Global system which is hurting all.

**We invite you all to start a New Global System to save humanity, which needs full approval from all around the world, without any donation. Guidelines are in the following link. Road Blockers are Those Who don't Support/Promote. Media Must Play an Active Role Regularly on Bringing Good Guys in their Programs for Free.**
