

In the Name of Allah, Most Gracious, Most Merciful

Global Stability

By Irshad Mahmood – Director, Global Right Path

Global World is facing Great instability causing many countries and regions going through a Great Turbulence of Global Uncertainty. People are suffering badly all around the world including Thailand, Greece, many African countries and even in the United States of America, with no exception to Muslim Countries. Perhaps till now it could be like tip of an iceberg what we have seen yet and rest could be about to come sooner if not later, since the world didn't took the true guidance from the Quraan to stabilize the Global World to save the humanity.

If one region is rich in minerals, then other could be rich in oil or gas or foods or even manpower etc. UN must come forward to balance the Global World by sharing all the resources in a balanced way, otherwise more and more disasters may come in the shape of poverty, and innocent people may not have any choice than come to street violently, since they cannot see their infants crying for milk, food and other basic needs.

It is not the Wealth (Gold or Silver) or Power which could save the Global World. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crime against humanity and nothing could save them including their wealth, power or people etc. (Ref: Al_Quraan_029:039). World didn't end there, but even without their wealth and power, it had re-developed. Those who never faced real poverty for years may never understand its solution, unless they have really took the Guidance from the Quraan. **It is 100% guaranteed to save the world globally, if we truly apply the guidance from the Quraan.**

It is time now to open our eyes and correct ourselves to serve the humanity in the light of Quraan, since the Quraan gives the true guidance to fix the system to save the Humanity in a balanced way (Al_Quraan_002:002).

Allah Never Destroys any Good Nation (Ref: Al_Quraan_011.116-117). Do not turn out people from their homes (Ref: Al_Quraan_002:084). Saving a Life is like Saving the Whole World. (Ref: Al_Quraan_005.032). There is NO Compulsion in Religion. (Ref:Al_Quraan_002:256)

UN needs to note down all issues big or small and needs to analyze it in detail on case by case method and first start with all those issues which had triggered the Great Turbulence of Global Instability.

Few of major issues which had caused the Global Instability are interest based system, alcohol, gambling and supply and demand system, on which special deep study is needed (Ref: Al_Quraan_002.278-279, 002.219).

Avoid loans, avoid waste and stop greediness as much as possible keeping in mind how much is too much to help stabilized the Global World (Ref: Al_Quraan_009.060, 025.063-067).

We all need to help as much as we can to build the Global World for the better future for our kids, only then we can hope that our kids will have the fruits of it and will pray for us. Educate yourself including your kids and keep your knowledge up to date according to time, as much as possible without wasting a minute. If you have good knowledge teach others or share with others for free if possible (Ref: Al_Quraan_096.001-005).

UN must be ready to abandon any laws which might hurt economy of general public, in such a way which helps to move forward by forgiving and forgetting the past BUT taking lessons from the past. It must follow the basic rule to TAX the GREEDY not the NEEDY. Education must be provided to all with internationally recognized good high standards on reduced rate if not for free, which must have good parent-teacher relation.

World has enough to feed but not greed. **United Nations** must balance the production cost globally in relation to Gold (currency). You cannot buy the Whole World from Gold, since Gold is a little tiny part of the Whole World.

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation. Do not even think to re-appoint those who were failed to protect the corruptions in the land.

Read Al-Quraan, the Miracle of Miracles and free from contradictions and errors
