Global Unity for Humanity

By Irshad Mahmood - Director, Global Right Path

Global World has entered into an era which is extremely dangerous ever than before. Any wrong action of ignorant **master mind** person/group could lead to World War 3, which could wipeout whole World. It is urgent need for all good people around the globe to join together to save the whole world, regardless of any discrimination of Religion, Race, Color, Gender, Language, Nationality, etc. Good people could be more than **99.99%** while key person of ignorant **master mind** people could be less than **0.01%**. BUT these **0.01%** ignorant **master mind** people might be using many techniques including science fiction to fool good people and exploiting them to use them as a tool.

We have seen Holocausts, Genocide, and massacre are happening again and again in many places either in Slow Motion & or in Fast Motion. World War 1 & 2 are not too old and still has left scars are around the globe, and Cold War is still going on, which are on top of crusades time. **It looks like at present time Cold War is going on against Muslim Countries as well, which could be a Hidden Secret Agenda to Wipeout Muslims along with others around the Globe by ignorant master mind people.**

Let us join together and stand firmly to beat the **Real Master Mind Devils** which could be less than **0.01%**, otherwise you could be next after Muslims, and after capturing world's wealth, they can kneel down you in steps.

No More Holocausts & No More Genocide, Nether in **Fast Motion** like Jews had faced during Second World War in the past & Nor in **Slow Motion** like Palestinians are facing now, regardless of any discrimination of Religion, Race, Color, Gender, Language, Nationality, etc.

Islaam **NEVER** permits to hurt or hate anyone regardless of any discrimination.

No Muslim is Muslim if he/she hurts Innocent Civilians, destroys Hospitals, destroys Worshipping Places and destroys Institutions etc., regardless of any discrimination. Islaam **NEVER** permits to capture others lands or wiping out others either in **Slow Motion** in steps like Palestinians are being wiped out or at once in **Fast Motion** like Holocaust or Genocides of Jews at one time during second world war, **NO fighting for lands.**

Forgiveness is the key to start with, BUT it must be true forgiveness with true love, not like forgiving now then wiping out next and then again forgiving and wiping out again. In this case it will be hidden secret agenda.

In current situation, independent & unbiased true human loving UN forces must help to ease the tensions around, otherwise there is no use of United Nations and it must be dissolved then.

We **CANNOT** accept any more Massacre/Genocide/Holocaust etc., of **99.99%** of Innocent Human Suffering because of **0.01%** Terrorists around the Globe. **We condemn all kinds of individual & State Terrorism.**

We have seen when people of Papua New Guinea raised voices, within few years UN went there and made an independent state for them from Indonesia, while there are many Muslims around the world are badly suffering for several decades, in which Palestine are the worst and no such help to bring peace in the region and still they don't have internationally recognized independent state. **It looks like at present time Cold War is going on against Muslim Countries as well, which could be a Hidden Secret Agenda to Wipeout Muslims along with others around the Globe by ignorant master mind people.**

To Save Global People, we must join together to form Global Unity for Humanity, regardless of any discrimination of Religion, Race, Color, Gender, Language, Nationality, etc. It will sure help Saving Businesses with 100% Guaranteed, since No Customer (People) No Business.

I invite you all for this Global Unity for Humanity to build Whole New World with True Love and Mercy for all Humanity without of any discrimination of Religion, Race, Color, Gender, Language, Nationality, etc. No Close Door Meetings and No Hidden Secret Agenda. Drop LOVE Not Bomb.

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation. Do not even think to re-appoint those who were failed to protect the corruptions in the land.
