Global World is facing a Global Economic Disaster and needs a Global Revolution. It is not Wealth (Gold or Silver) or Power which can save the Global World. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crimes against humanity and nothing could save them, not even their wealth, power, or people, etc. (Ref: Al\_Quraan\_029:039). The World didn't end there, but it re-developed after a Great Revolution. Those who have never faced poverty may never understand its solution, unless they have really taken Guidance from the Quraan. **It is 100% guaranteed to save the world and to help build our Global World. If we truly apply the guidance given by the Quraan, we can re-develop the world through our own Great Revolution.** In simple terms **"NO CHANGES WITHOUT ACTIONS"!**

It is time now to open our eyes and correct ourselves to serve the humanity in a revolutionized way in the light of Quraan, in which all including Rich & Poor can live safe and sound, since the Quraan gives the true revolutionized guidance to fix the Global System to save the Humanity in a balanced way (Al\_Quraan\_002:002).

Thinking locally while living in Global World will not save our Global World.  
Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation.  
Do not even think to re-appoint those who were failed to protect the corruptions in the land.
