# Unique Breakthrough Plan for Global Poverty and Global Famine

By Irshad Mahmood – Director, Global Right Path

**Humanity is suffering badly from Great Gigantic Global Poverty and Global Famine.** Think of an old time where a big farm land where around **1000** people were working, which were later replaced by heavy duty robotic machines/trackers etc. and now they only need **10** people instead of **1000**, so where should those **990** people go and what education they need to go for to get job or start businesses. **If you have better plan please share with people around the Globe, otherwise** please join together and invite others to join this **Great Noble Mission** before it gets too late and who knows you could be next in line suffering badly from Poverty/Famine. **I don't ask any single penny for this in Donations (ZERO Donations)** and it is a **Unique Global Charity**, without asking any donation rather **FULL** permission from all people and all governments. **If Allah asks on the Day of Judgment, I and those who support this can clearly say we have done our best to invite people to support it, but it is on rest of the people and all governments.**

Every child is born with true love in his/her heart. Later it is society (home, neighbors, institutions etc.), which makes him/her a Hero or Criminal. The best guide of children are non but Mothers who need special training to help raise their children to become Hero and present a great example for the rest of the world and build Whole New World with true love for all humanity. **Remember:** We are children of Adam and Eve and we are Global Brothers and Global Sisters of a Global Family, (Ref: Al\_Quraan\_002.030-039, 007.011-025, 015.26-44, 017.61-65, 018.050-051, 020.115-124, 038.071-085).

**Humanity could have been trapped by Criminal Master Minds which is causing Global Poverty and Artificial Global Famine.** In the past these criminals could have been created some scenario like Dracula to prevent from general public and do their hidden secret agendas in their special reserved places. In modern ages they might be using modern advanced tools/technologies etc. like science fictions to fool people and fulfil their hidden secret agendas. Whole Christianity might have been dosed to sleep no matter what is happening to humanity by twisting their faith that Jesus (Peace-Be-Upon-Him) will come again and fixed the world so till then keep sleeping no matter what is happening to rest of the world. Similarly whole Muslim World might have been put on sleeping dose, that when Imaam Mahdi will come and he along with Jesus (Peace-Be-Upon-Him) fight with Dajjal and only then it will be peace in the World and Imaam Mahdi will not be visible till Dajjal attacks on Syria, which could be another trap. Perhaps Dajjal will not attack Syria (population around **23** million as of **2014**), till he finishes/wiped out completely all **1.6** billion of Muslims. **It could be a Great Gigantic Trap to put humanity in sleep. Now it is time for Global World to wake/rise up and be careful from Master Mind Criminals/Terrorists and prevent humanity from those by joining Global Unity without any discrimination of Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old, etc. otherwise they could be next in line.**

**To Protect World from Criminals/Terrorists which is causing Global Poverty and Artificial Global Famine,** we must understand Criminal Master Minds, and we must need to find the roots of all Crimes, starting from Mother Womb till the Grave. Keep in mind what a **NON** patience Mother might do, if her child is crying for milk and she don't have enough money to buy milk for her. **Remember:** When there was a Women Driver with one year child in the back seat killed after car chase from White House to Capitol on 04-OCT-2013 at 2:15 PM:

One of the possible reasons could be **United States federal government shutdown of 2013 ran from October 1 to October 16, 2013 which had surely affected low income families and small businesses:**

[http://en.wikipedia.org/wiki/Government\\_shutdown\\_in\\_the\\_United\\_States](http://en.wikipedia.org/wiki/Government_shutdown_in_the_United_States)

**Breeding grounds for all kids of terrorisms and crimes** are **Global Poverty** and **Global Famine**, where people are widely available to do anything for little money for their survivals. Master minds can easily find them, twist them including their beliefs/faiths and forcefully use them according to their own desire. Master minds may also create some scenarios by all means including science fictions to fool people to rob the wealth of the world. Master minds may plan for hundreds of years if not thousands of years to rob the wealth of the whole world in stages. Master minds may also fool their citizens, and create scenario to prove that war is inevitable and must have to go for war, but in reality to run their war related businesses and become richer than ever before and again and again, or rob the wealth of others. Many wars in the past were based on lies and fooled their own citizens, e.g. Vietnam War, Gulf War on the issue of Weapons of Mass Destruction in Iraq etc. EBOLA, SARS, AIDS & Chicken Pox etc. could be Biological weapons to wipeout people in other parts of the world as well as creating artificial famine. **War is not an option in which economy dies again and again, BUT Love is, which starts from forgiveness as mentioned in the Quraan,** (Ref: Al\_Quraan\_041:035).

**If two countries are in conflict/war,** it might last a few years/decades including preparation time but other supporting countries economy might boost, since these two might be buying tools etc. from them and later all collapses, **while LOVE last much longer as long as they keep loving each other.** e.g. if in India alone out of 1.3 billion people if 1 (one) billion people need cell phones right now, at present time all cell phone industries together might not be able to produce it right away. Another example is if situation in the middle-east gets stable, perhaps 1% of 1.5 billion Muslims may be interested every year to visit Baitul-Maqdis (Al-Aqsa) Masjid in Jerusalem. Think of how much never ending businesses will grow there and how much benefits their local people will get.

**The Truth about Truth has three bitters/sours and painful stages:**

- 1> Ignorant people make fun of it.
- 2> Ignorant people try to kill the truth. Truth dies when people wage war against each other.
- 3> People eventually accept the truth as being self-evident.

In reality the Truth stands out clear from error and makes you FREE according to the Quraan (Ref: Al\_Quraan\_002:256) and the Bible (Ref: Bible\_John 8:32).

### Global World is facing a Global Economic Disaster and needs a Global Revolution:

It is not Wealth (Gold or Silver etc.) or Power which can save the Global World. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crimes against humanity and nothing could save them, not even their wealth, power, or people, etc., (Ref: Al\_Quraan\_029:039). The World didn't end there, but it re-developed after a Great Revolution. Those who have never faced poverty may never understand its solution, unless they have really taken Guidance from the Quraan or have gone for intensive training. **It is 100% guaranteed to save the world and to help build our Heavenly Earth. If we truly apply the guidance given by the Quraan, we can re-develop the world through our own Great Global Revolution.** In simple terms **"NO CHANGES WITHOUT ACTIONS"**! It is time now to open our eyes and correct ourselves to serve the humanity in a revolutionized way in the light of Quraan, in which all including Rich & Poor can live safe and sound, since the Quraan gives the true revolutionized guidance to fix the Global System to save Humanity in a balanced way (Ref: Al\_Quraan\_002:002).

### Below are just few things to keep in mind:

No Customer	-	No Businesses
More Customers	-	More Businesses
Good Customers	-	Good Businesses
Healthy Customers	-	Healthy Businesses

Customers are people and by saving the people we save the businesses, (Ref: Al\_Quraan\_005.032).

For better services to customers we need better/healthy employee, which means better benefits for employees not benefits cuts. By Laying Off employees means increase in poverty and also increase in crime.

We don't know exact date when Global Poverty and Global Famine started, either hundred years, or five hundred years or thousand years, but for sure we have the solutions in the Quraan, which teaches us to **come to the common point** without any discrimination of Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old, etc., with **100% Guaranteed** and without any compulsion in religion (Ref: Al\_Quraan\_002.256, 002.286, 003.064, 005.005, 005.035, 006.132, 013.011, 017.019, 018.029, 020.015, 028.084, 030.022, 042.030, 046.019, 049.013, 053.031, 053.039, 076.003, 091.007-010).

**Avoid loans, avoid waste and stop greediness as much as possible keeping in mind how much is too much** to help stabilized the our Heavenly Earth (Ref: Al\_Quraan\_009.060, 025.063-067).

**Only True Love with Humanity** in the light of the Quraan can save Global World with **100% Guaranteed**. We must join together to fight against **Global Poverty** and **Global Famine**. **Plant Fruits and Vegetables etc. in your backyards, on the side of the streets, and parks etc. where ever it is possible and permissible by your governments.** If you get more fruits and vegetables etc. than what you need, then share it with your neighbors, Friends and relatives and support following programs from the depth of your heart to fix Global system which is hurting all. **Below is a Summary of a Great Unique Breakthrough Plan for Global Poverty and Global Famine:**

**Global World has to be fixed in phases since there is no magic wand as well as we don't have overnight solutions.**

**Phase 1>** In this phase we together need to save all those people who are badly suffering from Global Poverty and Global Famine. We will Feed them, Shelter them, Educate them and put all of them on Research & Development and make them free from burden on rest of the world as much as possible. For this we must have to use **Unlimited Virtual Gold** as currency, only for basic survivals **NOT** for luxury, where a sip of wine or a single smoke will be treated as luxury but not the computer for educations/studies. **All Global Students will get totally free educations along with stipends/allowances for their survivals, so that they can fully concentrate on their studies which will help to build Whole New World (Heavenly Earth).** **Detail Project Guide Lines (Global Agendas) needs to be developed with full cooperation with all the People and all the government around the world.**

**Phase 2>** Together we need to work on to build Whole New World and find solution to present Global System, so that people from **Phase 1** can be re-employed/re-deployed. We will only give suggestions and recommendations from **Phase 1**, and pray for them, without any force. We will wait forever to fix Global World, even if takes hundreds of years or millions of years, **as long as all the People around the world and all the Government around the World allow us to run Phase 1** Globally using **Unlimited Virtual Gold** as a new **currency** only for basic survivals including their studies and research and developments around the globe. **All prototypes, solutions and suggestions etc. will be totally FREEWARE (no license needed) and will be fully allowed for everyone.**

**Phase 3>** Once **Phase 2** is fixed, we can move on for Cosmetics/Luxury to build Heavenly Earth. Sky is the limit. **We must make sure that pollutions etc. are totally under control.**

**I invite you all to join this Unique Great Noble Mission and invite others to joint it, to save Humanity from Global Poverty and Global Famine, which will sure gradually reduce Global Crime as well, without any discrimination of religion, race, color, gender, language or nationality etc.**

---

**Road Blockers to Humanity** are those who do not join it as well as those who do nothing to save Humanity.

**Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation or Global World.**

**Do not even think to try to re-appoint those who were failed to protect the corruptions in the land. Media Must Play an Active Role.**
