

Topic: Thinking of what I can do with the HWPL for world peace:

Below is my views:

Q 1> What can religious leaders do for world peace? (Specifically)?

A1> Since Allah commanded us to go for peace and specially if people are gathering for peace and inviting for peace, we must unitedly join all those Great Missions.

What we are doing at HWPL form is GREAT and need to use more advanced technology to promote after our session for FREE. YouTube is one of the best to share our views where people can access our dialogues for FREE. **We MUST be Pro-Active.**

1> Present our Dialogue on YouTube AFTER session is complete for general public

- And if they incline to peace, then **make peace with them** and trust in Allah; surely He is the Hearing, the Knowing, (Al_Quraan_008.061).

Q 2> What inspiration have you received so far from God while participating in the HWPL Dialogue?

A2> I always look for this type of regular sessions what we are having here at HWPL. We used to have Christian Muslim Forum in Toronto since 2000 and we have their videos available on YouTube as well. So far we had **71** sessions before Corona Virus.

Our session at HWPL is Great since we invite all major religious leaders and have question and answer session and giving equal opportunity to speak about their religions on specific topic.

Q 3> HWPL is ready to help your ministry. How can HWPL help you? (Specifically)

A3> It will be great if you could provide Youtube links for each session which I can share with all on social media and put on my website as well.
