My initial Islaamic Education at home was under the Barelvi sect. Later during my teenage years, I got influenced by the Deubandi sect and started following that for a long time. In mid 1990s I started getting information about the Wahhabi/Ahle-Hadeeth and a few others and got confused about sects, and came out of sectarianism and decided to follow the Quraan and those Really Authentic Hadeeth from Sihah sitta (i.e. Sahih Bukhari, Sahih Muslim, Sunan Abu Dawud, Sunan al-Sughra, Sunan al-Tirmidhi and Sunan Ibn Majah), which do not contradict the Quraan. I call myself Muslim and I am just a Muslim and free from any sects. I believe in Allah (One True God) alone and his Prophet/Messenger Muhammad (Peace Be Upon Him) the last and final Prophet/Messenger and invite others towards Muslims Unity which is free from any sect, since those who divide their religion (Islaam) have no part in it, (Ref: Al_Quraan_006.159).

Always Remember:

**Allah is One <---> Quraan is One <---> Siraat_al_Mustaqeem is One
One Ummah <---> One Islaam <---> One Voice <---> One Worshipping Method
Islaam had spread from Makkah to rest of the world and not otherwise**

My Duaa for discussing all Critical Issues:

Before making duaa, we need to remember that there are many deviations among Muslim Ummah which is causing destruction among them and there is urgent need to tell the truth from the Quraan, to unite Muslim Ummah. Great peaceful Jihaad needs courtesy and mutual respect with patience as well, then one will get very great rewards directly from Allah, Inshaa Allah, (Ref: AI_Quraan_103:001-003). After all we are human beings and may be wrong on some points, so we need to listen to each other but follow the truth and also make a very special Duaa:

O Allah! Guide us and help us. If I am wrong, O Allah! Correct me. If others are wrong, O Allah correct them. If we all are wrong, O Allah correct all of us. AMEEN.

"Rabbi Zidnee Aailmaa", (O my Lord! Increase me in knowledge), Ref: AI_Quraan_020.114 AMEEN.

"Rabbishrah Lee Sadree Wayassir Lee Amree Wahlul AAuqdatan Min Lisanee Yafqahoo Qawlee", (O my Lord! expand my breast; And ease my task for me; And loose the knot from my tongue; So they may understand what I say), Ref: AI_Quraan_020.025 – 028) AMEEN.

"Rabbana Hab Lana Min Azwajina Wathurriyyatina Qurrata aAAyunin WajjAAalna Lilmuttaqeena imamaan", (O our Lord! grant us in our wives and our offspring the joy of our eyes, and give us (the grace) to lead the righteous), Ref: AI_Quraan_025.074. AMEEN.

And withhold yourself with those who call on their Lord morning and evening desiring His goodwill, and let not your eyes pass from them (always yes sir, till they follow the Quraan), desiring the beauties of this world's life; and do not follow him whose heart We have made unmindful to Our remembrance, and he follows his low desires and his case is one in which due bounds are exceeded, (AI_Quraan_018.028).

Follow those who ask of you no money (for their preaching), and who are rightly guided, (Ref: AI_Quraan_036.021).

Additionally, I got highly influenced from Sheikh Ahmed Dedaat at London Central Mosque, UK in 1988, and watched his interesting video debates as well, and decided to do something for the sake of Allah only. For this mission, I initially started learning at a small centre of Dr. Israr Ahmed of Tanzeem-e-Islami, in Islamabad, Pakistan. Later I learned from many scholars through Internet and Videos like Dr. Zakir Naik (Peace TV), Mohammad Shaikh (IIPC TV) and many more and still adding on my list.

Since 1988 I started writing, and since 2000, I got actively involved internationally on internet based Dawah and presented over hundreds of articles on internet based Islamic Groups including articles on Globalization. [Great thanks to Canada](#) which gave me opportunity to understand the beauty of Multiculturalism which is the key for the Global Solution to Humanity in addition to the Quraan, and it inspired me to understand the Quraan much better way ever than before for the love of HUMANITY. I practically learned about Humanity in Canada and how we can live together and help each other without any discrimination with mutual respect. We all are family, and we Salute Canada.

I have compiled my already published articles on some Islaamic Groups (Yahoo & Google Groups) into Books and Booklets, with clear references from the Quraan and Authentic Hadeeth, for the Mission to Reform Ummah as well as fixed Global Economy for all without any discrimination. These are available on the internet for FREE Download, to Print, Publish and Forward etc. to as many as you can.

Unseen Image of Irshad Mahmood:

There is an invisible image but visible to those who read his articles with a deep understanding. This invisible fellow has written hundreds of articles. Apparently, he is running a DAWAH MISSION. But his mission is not for MUSLIMS but for GLOBAL COMMUNITY of MANKIND. He has named it as GLOBAL RIGHT PATH [not MUSLIMS RIGHT PATH]. Therefore his articles should be read with a global perspective. If done so IRSHAD MAHMOOD true image will become visible. Nowhere in his, articles he has ever claimed anything for his own self but for the selves of the others or collective betterment. My observation is that the participants of the GLOBAL RIGHT PATH do not read the articles of IRSHAD MAHMOOD thinking that therein is nothing but QURAN, ISLAM and MUSALMAN.

Being requested that the friends and fellows kindly revisit the IRSHAD MAHMOOD articles with good eyes and good minds. These articles are like the EDITORIAL for the Group. Due attention is requested. Honest or critical opinions also requested. This special appeal is being submitted on the basis of certain hidden deep requirements. Please understand IRSHAD MAHMOOD. Please discover IRSHAD MAHMOOD. Please recognize IRSHAD MAHMOOD. Looks a shadow is summarizing into a bright image. Please recognize him.

I (Irshad Mahmood) look at the world differently. When I see no major changes are happening around the world to save humanity, no matter what Global Leaders of present time are doing, I feel like they are running highly expensive cars like Ferrari on Super High Way where there is no speed limit, BUT with full hand break on or they are driving in reverse gear, which might ignite fire in the car, that is happening around the globe and humanity is burning ever than before in the beginning of **21st** century. I don't understand why waiting for thousands of years for Jesus, Imaam Mahdi, Avatar etc., when humanity is dying now. When hiring robots and firing people is going on, but robots and machines don't eat apples or oranges etc. So apples farms and oranges farms and their businesses will be bankrupt. A single machine may replace thousands of human but I haven't ever seen any human replacing any of robots or machines.

Global World is going through a Great Turbulence of Global Recession, and Global Poverty and Global Famine is on the rise. Rich are becoming **EXTREMELY** rich and poor are becoming **SEVERELY** poor and are about to die. Perhaps what we have seen so far could be like the tip of an iceberg and the rest would come later.

We must need to be open minded and join together to bring ideas from anywhere i.e. Bible (Old Testament {Torah} + New Testament {Gospel}), Vedas, Bhagavad Gita, Quraan, Sutras, Science, etc. and present it to people to fix Global System to save humanity (to build **Whole New World/Heavenly Earth**).

Think of old time ten organizations in which one thousands of employees working in each organization. Then came industrialization and heavy machinery and robots took places of human. Naturally many of the workers got Layoff and are off the jobs. Initially these Businesses thought that they will save lots of money by Laying off those workers, but did not realize that those were also customers of other industries as well. BUT due to Layoff, they don't have enough money now to buy, so in reality those businesses lost their customers as well by Laying off their employees. This is just a simple example to start

understanding the consequences which could be much better if we think about saving the humanity. Yes, industrialization and robotics are very good but if we need to start thinking **DIFFERENTLY** to save the humanity to build Whole New World (Heavenly Earth). There could be many projects we can collectively initiate at Global Level to provide those jobs to these lay off workers. **Remember: Layoff means more Poverty and more Crime, unless Employer must have been provided to lay off people guaranteed alternate options for their survivals. Services cut down at Hospitals means danger to our health, Services cut down at Fire Station or Police means our life/security is in more danger etc.**

People do not have any plant/tree which grows money, since Money does not grow in any plant/tree.

Money (Unlimited Virtual Gold) is not a concern for the Global Recovery, but it is Global System, which needs to be fixed.

It is not the Wealth (Gold or Silver) or Power which could save the Global World from Global Recession. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crime against humanity and nothing could save them including their wealth, power or people etc. (Ref: Al_Quraan_029:039). World didn't end there, but even without their wealth and power, it had re-developed.

Thinking locally while living in Global World will not save our Global World.

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation or Global World. Do not even think to try to re-appoint those who were failed to protect the corruptions in the land.

Locally I am Sorry Globally YES we can Recover Global World with 100% Guaranteed upon FULL support from Global People, Inshaa Allah (by God willing).

I invite you all to join this Great Noble Mission and invite others to join it to save the humanity without any discrimination of religion, race, color, gender, language or nationality etc. If you have better option please share with others.

It will be a Great Global Charity to save Global Humanity and Allah will give Great Reward, Inshaa Allah.
