

In the Name of Allah, Most Gracious, Most Merciful

Advise to Imaam, Shaikh & Scholars

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Due to lack of scientific (science & fiction etc.) knowledge in Imaam/Sheikh and due to lack of answers right on the time, Muslims are being blamed **FALSLY** for many terrorist attacks around the globe. **Whenever there is any terror attack, Imaam/Sheikh MUST consult Muslim Journalist, Muslims experts in other specialized fields including science and fictions etc., before passing any statements, otherwise it may go against Muslims due to weak statements. Remember: All Terrorists are Kharjees (Disbelievers) and they are NOT Muslims.**

Always remember, Robbers/Terrorists/Criminals are always behind the wealth and they are extremely smart to fool innocent people by all means including science fictions, and Imaam/Sheikh must educate themselves to save innocent victims. World is advancing / technologies are advancing and so are the Robbers/Terrorists, who are steps ahead of general public. Now world has gone Global and so are Robbers/Terrorists and they are now Global Robbers/Terrorists.

Imaam/Sheikh MUST Raise following questions on any terrorist attacks: Muslims are First Victims of Global Terrorism, Fanaticism, Fundamentalism, Intolerance, Discrimination and Racism:

- 1> Who will be benefitting from this **in the long run**?
- 2> Who are the real victims **in the long run**?
- 3> Is it not to Hide or Deviate people from other crimes or Wipeout their previous criminal evidences?
- 4> **If any new Muslims are terrorist then:**
 - a. Who converted them
 - b. Where they have been converted?
 - c. Do they have Police Reference Check before the convert?
 - d. Who is looking after them after they converted?
 - e. Who are the friends among whom he is hanging around after converts?
 - f. If any of those have drug addiction, have they been treated completely, and have they been cleared from drug addiction?

Absence of Muslims presences in key things:

Muslims are lagging behind and missing our presences in key things, like when body of brave Soldiers were taking from one place to another, may Canadians present to honor their fallen soldiers and many Canadians on the Highways stopped on the side, came out from their vehicle and salute to the body of fallen Soldiers.

We Muslims are also absent from School Council meetings etc. We Muslims are big complainers, but when the time comes to be presented ourselves in the meetings we are totally absent.

First we must learn the manners. Just see in the churches, how those Christians behave each other and always make line and are well manners, but in our Masjids our fellow Muslims push each other and some of them misbehave as well. Our Imaam/Sheikh must give lectures in Juma Khutab/Speech, but to whom who comes just when Imaam is about to finishing off Khutba/Speech and start prayers or when the Masjid is mostly empty during most of Khutbas. **One who misses Jumaa Khutba/Speech loses benefits of Jumaa Salaat and instead gets half of Dhur Salaat.**

All Masjids must register all members of their fellow Muslims, regular as well as Friday Prayers attenders and regularly send them all Friday Khutbas/Speeches in emails to their members as well. Keep in touch with them and ask them if they have any concerns. We must work as a team, a Great Global Team to protect all citizens of Global World.

Free Interfaith Friendly Dialogues and Free Intersect Friendly Dialogues must be arranged regularly and must be presented on Internet as well. Remember: There is NO Compulsion in Religion/Faith, (Ref: Al-Quraan_002:256), instead **Come to the Common Terms,** (Ref: Al-Quraan_003:-064).

Whenever there is any terror attack, **MEDIA** becomes over active and presents them on their channels 24 hours a day and sometimes even more. But when a Good Guy does any good work they are hardly covered. At least to be fair with both **Good Guy & Bad Buy**, they should give **50%** time to each for free, and must start **Good Guy & Bad Guy TV Programs.** All Media must play an active role on promoting the Good Guys. Media must have an hour session every week and bring those Good guys on the TV channels, who are serving the humanity for free in all areas.
