

In the Name of Allah, Most Gracious, Most Merciful
Disco Culture or Quraanic Culture

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

More and more record breaking Disasters are coming all over the world one after another. Regardless of Muslims or Christian or others, everyone is suffering badly. It is time to Re-think, Repent and Enter into Islaam Whole-Heartedly.

Many Muslims countries are facing record breaking disasters. Pakistan got severe flooding on top of the Capital Islamabad being under lockdown in August and September 2014. Pakistan is having Billions of dollars loss in Capital lockdown, which might take hundreds of years to recover by our future generations.

These are the signs from Allah that emergency has been imposed on Muslim Ummah to stop Disco Culture and start Quraanic Culture immediately. **STOP wasting time and START reading the Quraan with understanding/translation and reflect on it without any delays. Stop watching FILMS and DRAMAS etc., now before it gets too late and teach your kids to do so as well. If you Truly Love Pakistan, You Will Sure Do It, otherwise You are Lier.**

Always Remember: No More Mistakes and Not a Single Mistake. **No More Wastage of Time and Money.** No More Violence and Not a Single Violence. Violence is hurting Islaam very badly.

Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation. Do not even think to re-appoint those who were failed to protect the corruptions in the land.

Read Al-Quraan, the Miracle of Miracles and free from contradictions and errors
