Genocide/Holocaust of Muslims by Muslims

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Victims of Unjust Treatments are a lot, some are visible, while others are hidden and nobody knows how people are being mistreated and their generations were destroyed. Many times Genocide/Holocaust of Muslims is done by Muslims, but nobody is ready to listen or believe and minorities and weak & oppressed are being wiped out in slow motion. It is common practice among many people, that they blame others for all the things gone wrong while if something goes right, it is hundred percent due to his/her efforts. Also, Mischiefs/Oppressions could be done by those religious scholars who exploit Muslims to come to the street violently by taking the laws in their own hands, since they do not understand the wisdom of the Quraan, which teaches love not war.

Many Muslim Countries are engaged in Genocide/Holocaust of Muslims by Muslims and wiping out minorities and weak & oppressed. Whoever comes in full power tries to wipe out others. Sometime you see someone is in power from minorities, but under him/her all teams are using him like as a puppet which general public don't understand. The moments he/she deviates from their hidden secret agenda, that will be his/her end of life. Sometimes minorities or their loved ones are in open air hostage although loved ones do not understand it, since they are freely moving and enjoying their lives, but that is because of their hidden plan and so these minorities don't have any choice other than to allow others to keep doing wrong, robbing countries, etc.

When Qaid-e-Azam, Muhammad Ali Jinnah founder of Pakistan got sick, he was sent to Ziarat on faulty train and leaving him there to die in pain so that no one knows what happened to him and how painfully he died. Later all the proofs were destroyed so that in future no one can find the clue.

When Liaquat Ali Khan first Prime Minister of Pakistan were shot all the proofs had been wiped out. BUT when Nawaz Sharif or other Political leaders get sick they go for treatment to UK or USA etc.

Pakistan is a real mess from Very Top to extreme Bottom and need right treatment from extreme Top to Bottom NOT reverse. In reverse gear you cannot drive on the highway with full speed otherwise your vehicle may broke down. Also no standard aircraft flies in reverse gear, they don't have any. No birds fly in reverse direction either.

Basic FORMULA must be First deal with GIGANTIC Crocodiles Alligators who had wiped out all the treasures of Government of Pakistan, then deal with little snakes, Scorpios etc.

Let us start from the birth of Pakistan. When Hindustan got divided into India and Pakistan on 14-AUG-1947, that is actually division of Muslims to make them more and more weak and later Pakistan got divided into Bangladesh & Pakistan on 16-DEC-1971 to make Muslims weak even more. Muslims are being divided more and more and many times it is because of Hypocrites within us. We must analyze in detail to find real beneficial of it, definitely not those who are in minority or weak and oppressed. Re-Analyze again to find out, who are in vast majority in Defense, in Government and Semi-Government, of course not those who are in minority or weak and oppressed.

Unjust Operations Breaks Countries/Regions and creates Kiosks around the Globe. Unjust treatments were done with Muslims of India by Hindus/Sikhs and it was broken in August 1947. Unjust operations were done with Bangladeshis in March, 1971 and in December, 1971 they got separated. Unjust operations by US on Iraq because of false allegations of holding Weapons of Mass Destructions in Iraq, in reality US have world largest WMD and they created great preplanned kiosk in Iraq, due to US hidden secret agenda. Unjust operations are being laid out to many Cold Genocide Victims, and many false allegations are being carried out against them including Muslims doing against weak and oppressed fellow Muslims. First Step must be **“Start with True Justice with all”**.

Practical example of unjust you may find in many countries around the globe including in many Muslim Countries. Many minorities are being treated unjustly in mass scales with full force from majority groups or from those who are in powers and have full controlled on media as well. Preplanned false allegations are cooked using modern technology against those who don't have their own voice/media/power etc., while real criminals take lots of money on insurance etc. and run away or scape to western countries etc., (**JISKI LATHI US KI BHAINS**). **Unjust and Biased Operations are being carried out again and again against weak and oppressed to wipeout them, sometime in slow motion while other time in fast motion.** Just check in Defense, Police, Security and Public Sectors etc. at all levels, who are in majorities taking around **90%** of positions or more at each level. If International Media and UNO take open interviews from those million people who are victims and are ready to testify, they will sure get answers. BUT unfortunately it is almost impossible for minorities to go and report for being victimized by majority or those who are in power, where might is right is the law, and no justice can be done. If this is the situation then wait for Allah's punishment which may come and give them tough lessons. People have not yet taken lessons from disasters like

Cruel Rulers, Tornado, Hurricane, Typhon, Tsunami, Earth Quake and Floods etc. BUT still people believe that they will go to heaven because of their blind faith or just reciting Sahada and eventually go to heaven. **Those who have full control on Defense, Police, Judiciary, Bureaucrat etc., MAY NOT do true justice against weak and oppressed and perhaps they are Real Criminals & Enemy of Humanity and have hidden secret agenda to get big huge money from all around including insurance money etc., and on the day of judgment Allah will catch them, but that will be too late for repentance.**

Do you really think Altaf Hussain gives a f*** about Pakistani nationality? Be honest!

I am not MQM member neither I support Altaf. In my opinion he is a joker but that is beside the point.

What he said about Pakistan, I totally agree with him.

Let me share a short experience with you. It will not surprise any wise man.

My family was in East Pakistan during **1971**. Pakistan had done enough injustice to East Pakistan to the point where Bengalis wanted separation. They would go on strike and close their shops but Biharis would oppose and did not want to break Pakistan.

Bengalis started killing Biharis as a result and Biharis were anxiously waited for Pakistan Army to arrive to rescue them.

When Pakistan Army arrived in East Pakistan, Biharis were filled with Euphoria and young boys including my eldest brother (who was 16 at that time) were ready to join Pakistan army to save the partition of Pakistan, to thwart Bangladesh movement.

My father locked my elder brother up in the room and advised him not to join Pakistani Army as he knew about them to misuse Biharis against Bengalis. So my brother could not go but his remaining friends did go with Pakistan army.

Soon Biharis noticed that Pakistan Army had indulged themselves in enjoyment with women. Bengali chicks and Bihari chicks as well. To them both Biharis and Bengalis were the same.

In the meantime (I don't know how much time had elapsed) my brother met one of his friends who had escaped Pakistani army and was not in good shape/health. Friend told my brother that Pakistani Army would put these young boys in the front line and **at night in the barrack would ass rape them**. My brother could not believe this. Soon enough Indian Army intervened and Pakistani army surrendered.

Now Biharies real ordeal began and they were totally cutoff and raped by Mukti Bahini and Bengali Muslims. Many Biharies then fled to Bihar. Indian Government (Indira Gandhi) knew that illegally these people have crossed the border but simply ignored and let them come back and settle in Bihar (India). Also many people including my brother noticed on few occasions that Indian army saved Biharies from the hands of Bengalis and from the hand of Mukti Bahini.

I asked my brother few years ago the differences between Pak Army and Indian Army (because he was in the middle of this whole chaos). He replied that Indian army was very professional. Pakistani army was not. **(The same man who was ready to join Pak army, the same boy who was filled with the fervor now hates Pakistani Army).**

Then left over Biharies were shifted to Haji Camp (In Chittagong), a very small camp where life is impossible. Where people perhaps wait for their deaths?

Now I come to the real point. My family was also shifted to Haji Camp around **1972** or **1973**. During the time of Zulfikar Ali Bhutto, Pakistan had agreed to bring those people to Pakistan. After this announcement those Biharies frantically started filling out application forms to go to Pakistan. My father also did. But each time he got no response. When they would go to check whose application was approved, each and every time those people who were Punjabis, their applications were approved.

My brother and few other Biharies noticed this pattern and my brother filled out two application forms where he indicated that his house is in Punjab, (Somehow through his friends in the camp, he was able to learn some areas in Punjab and some companies in Punjab).

Guess What? Just after a week both applications were approved. And that is how our family moved to Pakistan. The remaining Biharies are still in that Haji Camp. Those people who opposed the separation of Pakistan.

This is the reality of your Pakistan. Call me a Hindu, call me a liar, I don't care.

Staggering Statistics on Muslims Killing Muslims

<https://muslimstatistics.wordpress.com/2013/04/18/staggering-statistics-on-muslims-killing-muslims>

International Media must play an active role on promoting the truth and brought into attention if any unjust is happening around the globe regardless of any discrimination.

Disasters (e.g. Earthquake, Tsunami, Flood, Cyclone, Hurricane, Tornado, Corruptions, Cruel & Unjust Rulers, Cruel & Unjust Nations etc. in the Land are because of Peoples own Deeds, since they are not taking guidance from the Quraan, (Ref: AI_Quraan_030.041). Disaster gets more and more Killer, after an Informer (Warner) arrives in a town (city / country), (AI_Quraan_007.094).

Nobody is perfect and pointing fingers on others is actually pointing three fingers yourself. **Stop doing the Great Mistake that "I am Right"**. **Stop making fun of others**, since you don't know who is closer to Allah, (Ref: AI_Quraan_049.011). **Stop neglecting the Quraan** (true book of guidance) and **start taking guidance from it**, (Ref: AI_Quraan_002.001-005). **Blindly believing on Scholars is Shirk**, so verify them from the Quraan, (Ref: AI_Quraan_009.031, 004.059). Allah never destroys any good nation, (Ref: AI_Quraan_011.116-117).

Acquiring knowledge is compulsory on every Muslim men and women, BUT unfortunately when comes to understand the Quraan, vast majority of Muslims have no time to read the Quraan with understanding. They don't do their homework first and blame Scholars (Ulemaas, Muftees etc.) for these.

How come a Muslim is still a True Muslim even after cheating, raping, robing people, doing all kind of unjust crimes without repenting permanently, when the Quraan say NO.

Hypocrites Recites the Quraan BUT practices something else:

Quraanic Fatawa: Those who do not judge from the Quraan are **disbelievers, unjust/wrong-doers and transgressors / rebels**, (regardless of Muslims Rulers or those who are in power/majority, etc.), (Ref: AI_Quraan_005.044-047). **Just check them in Defense, Police, Security and Public Sectors etc. at all levels.**

Allah Never Destroys any Good Nation, (Ref: AI_Quraan_011.116-117). **Do not turn out people from their homes**, (Ref: AI_Quraan_002:084). **Saving a Life is like Saving the Whole World**, (Ref: AI_Quraan_005.032). **There is NO Compulsion in Religion**, (Ref: AI_Quraan_002:256).

Non-Practicing Muslims are like ASS / Donkey carrying books, (Ref: AI_Quraan_062.005).

If Quraan cannot convince you nothing will, (Ref: AI_Quraan_040.004, 047.024).

Read AI-Quraan, the Miracle of Miracles and free from contradictions and errors.
