

In the Name of Allah, Most Gracious, Most Merciful

Hadeeth Authentication/Validation Method

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Quraan has answers to many things including Authentication/Validation of any books, booklets or documentations including the Quraan, Hadeeth, Bible, Torah (Old Testament), Gospel (New Testament), Book of Psalms (Zaboor), Vedas, and Geeta, etc., (Ref. AI_Quraan_016.089, 039.027-028).

Step-1:

Test all Holy book, booklets or documentations to make sure it **free from any contradictions/errors** and also **protected** by Allah (God). It is the Quraan only, which fulfills this requirement completely (100%), (Ref. AI_Quraan_004.082, 015.009). **Remember: The Quraan was compiled, collated, collected, explained and protected by Allah through angel Jibreel in the presence of Mohammad (Peace-Be-Upon-Him)**, (Ref: AI_Quraan_015.009, 075:016-019). **Anyone who denies it doesn't deserve to be called as Muslims.**

Step-2:

Test all other Holy books, booklets or documentations including Hadeeth, Bible, Torah (Old Testament), New Testament (Gospel), Book of Psalms (Zaboor), Vedas, and Geeta, etc. with the Quraan, if it is contradicting the Quraan then reject it otherwise it may be accepted.

Step-3:

For any documentation, including Hadeeth, each and every narration must fulfill the basic requirements of Authenticity/Validation as per Quraan, i.e. there must be two Sahabaas (male) witnesses or one Sahaba (male) and two Sahabiaas (female) witnesses, (Ref. AI_Quraan_002.282).

Any of the Hadeeth which do not meet the above mentioned criteria cannot fall in the category of Authentic as per the Quraan, no matter how authentic narrators have reported that.

Major divisions among Muslims (Shiaa and Sunnee) are due to not following the Quraanic Directions of Authentication/Validation of any documents including Hadeeth. Many of Shiaa's claimed Hadeeth do not match with Sunnee claimed Hadeeth and vice versa.

Muslim Scholars need to do more research on each and every Hadeeth and DELETE / REMOVE all those Hadeeth from all the books of Hadeeth which contradict the Quraan.

Ali (RA) narrated, Prophet Muhammad (Peace-Be-Upon-Him) said, there is **NO DOUBT** that, there will be Hadeeths coming after me, claiming that I have said those. So you **MUST** test each and every Hadeeth from the **QURAAAN**. If it is really according to the Quraan **ONLY** then you **ACCEPT** it otherwise **REJECT** it, (Sanan Dar Qatni, Vol-2, Book – Imrani Abee Musa, Matba Farooqi – 513).

Remember: Each and every ayaat/verse of the Quraan is three in one: 1> Kalaam of Allah and 2> Hadeeth Qudsi and 3> Sunnah of Prophet Muhammad (Peace-Be-Upon-Him), since we got it from his mouth & his action.

Deniers of Hadeeth-e-Qudsi are real Munkir-e-Hadeeth as well as real **Munkir-e-Quraan** and **don't deserve to be called as Muslims**. Not reading the Quraan with understanding/translation, which is complete, clear and easy (Ref: AI_Quraan_002.044, 005.003, 007.052, 015.001, 036.002, 041.044, 054.017, 075:016-019), is another kind of real Munkir-e-Hadeeth as well as Munkir-e-Quraan, since don't want to understand what Allah is saying, instead looking all around except the Quraan.

None argue concerning the revelations (Ayaat) of Allah BUT those who Disbelieves ..., (AI_Quraan_040.004).

Those who don't read the Quraan with understanding/translation and Practice on Allah's commandments are like ASS/Donkey carrying books, (Ref: AI_Quraan_062.005).

Roots of Downfall of Muslim Ummah could be giving preference of those Hadeeth which contradicts the Quraan as well as giving preference to Mullahs over the Quraan. **Read the Quraan with understanding/translation and practice on it 100% to get real success in this life as well as on the Day of Judgment BUT Munkir-e-Quraan will never do it.**

Remember: Hadith Collections started around **250** years after Prophet Muhammad (sav), in around **900** AD and could have taken decades in collection. Muslim Ummah could have started giving preference to Hadeeth over the Quraan in around **1100** AD and that could be the start of decline of Muslim Ummah, i.e., **leaving the Quraan**.

IF QURAAAN CANNOT CONVINC YOU NOTHING WILL
