**Concept of Marriage: No Marriage is Marriage if it is for fixed period of time:**

In Islaam, marriage is a blessed permanent contract between a man and a woman for the whole life, in which each becomes "permitted" to the other, and they begin the long journey of life in a spirit of love, cooperation, harmony and tolerance, where each feels at ease with the other, and finds tranquility, contentment and comfort in the company of the other. The Quraan has described this relationship between men and women, which brings love, harmony, trust and compassion, in the most moving and eloquent terms.

And among His Signs is this, that He created for you mates from among yourselves, that you may dwell in tranquility with them, and He has put love and mercy between your [hearts], (Al\_Quraan\_030:021).

This is the strongest of bonds, in which Allah unites the two Muslim partners, who come together on the basis of love, understanding, co-operation and mutual advice, and establish a Muslim family in which children will live and grow up, and they will develop the good character and behavior taught by Islaam. The Muslim family is the strongest component of a Muslim society when its members are productive and constructive, helping and encouraging one another to be good and righteous, and competing with one another in good works.

**Remember: The purpose of Marriage is not to do Divorce** rather it is the worse hated Halaal, which Allah has made lawful to us, in an extremely difficult situation.

**Married Life comes under the Boundary Limit made by Allah:**

Divorce may be (pronounced) TWICE, then keep (them) in good fellowship or let (them) go with kindness; and it is not lawful for you to take any part of what you have given them, unless both fear that they cannot keep within the limits of Allah; then if you fear that they cannot keep within the limits of Allah, there is no blame on them for what she gives up to become free thereby. **These are the limits of Allah**, so do not exceed them and whoever exceeds the limits of Allah these it is that are the unjust, (Al\_Quraan\_002.229).

**Spouses are a signs of Allah for Rest, Love and Compassion:**

And one of His signs is that He created mates for you from yourselves that you may find rest in them, and He put between you love and compassion; most surely there are signs in this for a people who reflect, (Al\_Quraan\_030.021).

**Help Singles to Get Marry. It is one of the Order of Allah:**

You shall help/encourage those of you who are single to get married. They may marry the righteous among your male and female servants, if they are poor. Allah will enrich them from His grace. Allah is Ample-giving, Knowing. (Al\_Quraan\_024.032)

**Men protectors and maintainers of Women: Halaala or Muta/Mutah are totally opposite to it and is a Rape of Women:**

**Men are the protectors and maintainers of women**, because Allah has given the one more (strength) than the other, and because they support them from their means. Therefore the righteous women are devoutly obedient, and guard in (the husband's) absence what Allah would have them guarded. As to those women on whose part ye fear disloyalty and ill conduct, admonish them (first), (next) refuse to share their beds, (and last) beat them (lightly). But if they return to obedience, seek not against them means (of annoyance). For Allah is Most High, Great (above you all), (Ref: Al\_Quraan\_004.034).

**Halaala or Muta/Mutah (Temporary Marriages):**

**Since Halaala or Muta/Mutah is a Marriage for fixed period of time, ranging from few minutes to several years, so it is invalid and it is a Rape (Zina).** Marriages are with Love, while Divorces are with Hate. No sincere husband can divorce her loving wife with true love. **Marriage comes under boundary limits ordained by Allah, so don't even think to play with it.**

**Sincere Advice to Sisters: Be careful with the man made rules of Halaala or Muta/Mutah (Temporary Marriage) and protect all sisters from being raped by this man made rules. Please educate all sisters to protect them from being Rape.**

**Why NOT court punish men and fine them as well if it is really their faults INSTEAD of Women?**

**Non-Practicing Muslims are like ASS / Donkey carrying books**, (Ref: Al\_Quraan\_062.005).

**None argue concerning the revelations (Ayaat) of Allah but those who disbelieve ...**, (Ref: Al\_Quraan\_040.004).
