Muslim Countries First in Line in being Wiped Out

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Are Muslim Countries First in Line in being Wiped Out on Mission to Wiping Out Humanity as a Hidden Secret Agenda and Next in Line could be INDIA, CHINA, RUSSIA etc.??? Remember: Ethnic groups (First peoples, Aboriginal peoples, Native peoples, or Autochthonous peoples) had already been Wiped Out over Hundreds of years ago. Need full research on these if there is any Global Genocide / Holocaust / Massacre of Humanity still going on.

Freemasonry

<https://en.wikipedia.org/wiki/Freemasonry>

Maintain humanity under 500,000,000 in perpetual balance with nature. It means saving 500 million out of 7 billion as of beginning of 21st century, i.e. wiping out 93% of humanity is crime against humanity.

The Plan to Attack on Iraq is NOT New. (80 years back during 1918 to 1930):

Page 104:

Turkey, Arabia, Persia, Afghanistan, Turkestan and India are all fermenting with unrest. Great Britain, with her 60,000,000 Mohammedan subjects in India, had special reason to fear a great Mohammedan combination throughout Asia directed against Wet. Iraq, for its geographical position between Turkey, Arabia and Persia, may be regarded as a key position. The existence there of a strong Arab State, friendly to the British Government, breaking the chain of possibly hostile influences, may be of immense importance to use in the difficult that lies ahead.

Page 105 - 106:

The Iraqi oilfields had a commercial importance, to be sure. But for statesmen whose major concern was preserving the British Empire, the strategic significance of holding the oil-bearing territory was the essential issue. In time of war the control of petroleum supplies was vital for all branches of the military, but especially for the navy. The Admiralty wanted supply sources that were both secure and conveniently located, given the stationing of the British fleets, and the Iraqi petroleum reserves were a jewel of its desire. "From a naval point of view," as the first lord of the Admiralty put it to his colleagues in the Committee on Iraq.

Page 106:

The Mesopotamian Oilfield is of special importance in view of the possibility of operations in the Far East. It would not only, in conjunction with the Anglo-Persian field, provide us with a source of supply considerably nearer to the area of operations than would be possible in the case of oil from the American Continent, but a supply which would pass through waters which should be comparatively immune from attack.
