

**Global Right Path is running a Survey/Poll to find out how many of Muslims are MUNKIR-e-HADITH:**

**Question:** Do you **PRACTICALLY** observe following **Authentic** Hadith which is **KEY, Backbone** and **FOUNDATION** of all Hadeeth?

“Ali (RA) narrated, Prophet Muhammad (Peace-Be-Upon-Him) said, there is NO DOUBT that, there will be Hadeeths coming after me, claiming that I have said those. So you MUST test each and every Hadeeth from the QURAAAN. If it is really according to the QURAAAN only then accept it otherwise reject it. (Sanan Dar Qatni, Vol-2, Book – Imrani Abee Musa, Matba Farooqi – 513)”.

**Remember:** Each and every Ayaat/Verse of the Quraan is two in one, i.e. **KALAAM of Allah** as well as **Hadeeth Qudsi of Prophet Muhammad (Peace-Be-Upon-Him)**, since we got it from the mouth of Him (sav) and it is His (sav) saying as well. **Only Quraan is protected by Allah and is completely error free and has no contradictions at all**, (Ref: Al\_Quraan\_004:082, 015:009). **All other books (other than the Quraan) including Hadeeth have errors and contradictions, since those are not book of Allah and is not protected.**

**Yes:** I am follower of this Authentic Hadith and always try my best to verify each and every Hadith from the Quraan and always read the Quraan with understanding/translation.

**No:** I am denier (Munkir) of this Authentic Hadith and I am a MUNKIR-e-HADITH. I never read the Quraan with understanding/translation.

Those who don't want to answer could be **MUNKIR-e-HADITH**, if not reading the Quraan with understanding/translation.

Above Hadeeth is the **KEY, Backbone** and **FOUNDATION** to understand all other Hadeeth. It is **100%** Authentic and is completely in accordance with the Quraan. In the Quraan Allah commanded us to enter into **Allah's Islaam (Not Your Islaam nor mine Islaam nor someone else Islaam) completely** (whole-heartedly), (Ref: Al\_Quraan\_001:208). No one can enter into Allah's Islaam, unless he/she knows what is in the Quraan (True Book of Guidance from Allah). No one can know what is in the Quraan unless he/she reads the Quraan with understanding/translation. This Hadeeth also teaches us not to deviate from the Quraan.

The Quraan has **clear explanation of every fundamental things we need**, and a guidance, mercy and good news for **True Believers**, as well as protected by Allah and is totally errors free and has no contradictions, (Ref: Al\_Quraan\_004:082, 006:114, 015:009, 016:089).

... **In which Hadeeth other than Allah and His revelations do they believe?** (Ref: Al\_Quraan\_045:006).

People have deviated from the Quraan, (Ref: Al\_Quraan\_009.031, 074:011-016, 074:018-026).

There is **NO Guarantee** that if the Authentic Chain of narrations are correct, then the Hadeeth is Authentic, **even** if it **Contradicts Basic Principles of the Quraan**. By giving preference to the Hadeeth over the Quraan may put you in the category of **Liar to the Quraan**, which is an **Extremely Dangerous Shirk. Be Careful.**

**Now with the invention of modern technology, it became really easy to search the Quraan on internet.**

We might be doing more surveys/polls similar to this if really needed, Inshaa Allah.

**Please invite others for this survey.**
