Quraanic Solutions to Kashmir Dispute

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

When a person gets sick he/she needs right treatments and on right time. Sometime just taking rest may help while other time he/she need home remedy and many times people need strong medications. BUT sometime they need to make tough decision to go for Surgery, Radiation Treatment, Chemotherapy Treatment, Stem Cells Treatment or Bone Marrow Transplant Treatment etc., as the only option to save their lives. **Remember:** saving a live is like saving the Whole World without any discrimination, (Ref. Al_Quraan_005.032).

In case of Kashmir Dispute, we have tried our way for several decades and totally failed to succeed for independent Kashmir from India. We need to take lessons from the Quraan, and look at the similar examples, what people of the old time did for their survivals including Prophets and Messengers. It is very tough heart breaking decision and tears are in my eyes but perhaps there is no other solution other than truly reflect on the Quraan. Only believing on the Quraan without practice is like **NOT** believing on the Quraan at all (**NO Verbal Islaam**, since Islaam is Practical Deen).

When Abraha came to destroy Kabaa, Allah destroyed them through small birds (Abaabil), and Allah knows how to protect his house when no one has enough power to protect it from its destruction/demolition. When Prophet Muhammad's (Peace-Be-Upon-Him) life got in danger in Makkah al-Mukarramah, he had to migrate to al-Madinah al-Munawwarah by taking **one way ticket** and he never ever thought to go back. Here lessons we get is no land is more precious and more important than Kabaa (the first worshipping house of Allah) and even when life gets in danger one has to migrate as soon as possible. In simple terms "**No Fighting for Lands**".

NO Help except to Migrate from Non-Muslim Countries, or Charity or Education. **Islaam will not go for Trial, Islaam is for the Establishment of Peace not for Fighting for Lands in Non-Muslim Countries**, we will not put **99.99%** of Muslims for trial by helping **0.01%**, who don't want to obey Allah by peacefully migrating from Non-Muslim Countries to Muslim Countries, only if they don't allow them to worship or put them in hardships. Now everywhere in the world Islaam is on Trial just because of the **0.01%** Muslims, who are not obeying Allah by peacefully migrating.

Surely those who **believed** and **migrated** (fled their homes) and struggled hard in Allah's way with their property and their souls, and those who gave shelter and helped-- these are guardians of each other; and (as for) those who believed and **did not migrate**, not yours is their guardianship **until they migrate**; and if they seek aid from you in the matter of religion, aid is incumbent on you except against a people between whom and you there is a treaty, and Allah sees what you do. And (as for) those who disbelieve, some of them are the guardians of others; if you will not do it, there will be in the land persecution and great mischief, (Al_Quraan_008.072-073).

We need to give immigrations to all those Muslims only who are in Non-Muslim Countries, if they are not allowed to worship and having hardship.

Surely (as for) those whom the angels cause to die while they are unjust to their souls, they shall say: In what state were you? They shall say: We were weak in the earth. They shall say: Was not Allah's earth spacious, so that you should have migrated therein? So these it is whose abode is hell, and it is an evil resort, (Al_Quraan_004.097).

And how many a living creature that does not carry its sustenance: Allah sustains it and yourselves; and He is the Hearing, the Knowing, (Al_Quraan_029.052-063)?

If Disbelievers stops you from offering Prayers then migrate, Allah's earth is spacious. Do not worry about sustenance. Now let us see how Muhammad (Peace-Be-Upon-Him) implemented this. As you know Muhammad (Peace-Be-Upon-Him) migrated from Makkah al-Mukarramah (مكة المكرمة) to al-Madinah al-Munawwarah by taking one way ticket and NEVER ever thought to return. This is the Great secret of migration, so Allah has given such a great reward by turning Makkah al-Mukarramah (مكة المكرمة) into the center place for all Muslims. In brief, there is **NO fighting for the LAND**.

If you DIFFER in anything (Faith, Salaat, Siyaam, Zakaat, etc.) amongst yourself, then REFER to Allah and his Messenger, if you really believe in Allah and in the Last Day. That is better and more suitable for determinations, (Al_Quraan_004.059). **Those who dispute & divide into sects are not Muslim**, (Ref: Al_Quraan_006:159, 008.046).

Non-Practicing Muslims are like ASS / Donkey carrying books, (Ref: Al_Quraan_062.005).

None argue concerning the revelations (Ayaat) of Allah but those who disbelieve ..., (Ref: Al_Quraan_040.004).

Islaam cannot succeed on the way of Kufr (going against fundamental teaching of the Quraan).
