

In the Name of Allah, Most Gracious, Most Merciful
Shurta-Law & Danda-Qanoon
By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Shurta-Law and Danda-Qanoon may fail in Muslim countries also, if not taking guidance from the Quraan and Authentic Sunnah. One of the major root causes of all the crimes are Poverty. When Poverty increases Crimes also increases. What could a mother do, when a baby infant is crying for milk and mother does not have money to buy milk for her? Keep in mind a lady Driver killed after car chase from White House to Capitol on 03-OCT-2013. Also keep in mind that there was US Federal shutdown from October 1 through 16, 2013 which might have impacted many small businesses as well as those who are on daily wages.

People in the west (mainly Europe, USA and Canada) get social benefits from the Government, if they don't have enough income, while in many Muslim countries people are dying due to extreme poverty and that is one of the main reason Shurta-Law and Danda-Qanoon may fail there since not taking the lessons from the Quraan and Authentic Sunnah.

When Muslims of Makkah migrated to Madina, first thing Prophet Muhammad (sav) did was establish brotherhood. People of Madinah happily accepted people of Makkah as their brother and shared their wealth and no one and not a single one left in poverty. Shurta-Law and Danda-Qanoon was established much later in Madinah by Prophet Muhammad (sav) after making sure that no one is dying of hunger.

Many cities/provinces/states/countries don't have enough resources to overcome poverty. Now we live in Global World and we must come together to fix Global Poverty, otherwise more and more crime may be born and if one Don goes another ten more powerful Don may keep coming day by day.

Global Poverty is increasing around the Globe. One of reason of Global Poverty is due to the differences between rich and poor are increasing enormously because of Great instability in our global system. People are suffering badly all around the world including Thailand, Greece, many of African and South Asian countries and even in the United States of America, with no exception to Muslim Countries. Perhaps till now it could be like tip of an iceberg what we have seen yet and rest could be about to come sooner if not later, since the world didn't took the true guidance from the Quraan to stabilize the Global World to save the humanity.

Although **world has enough to feed but not greed**, but few of major issues which had increased the Global Poverty are interest based system, alcohol, gambling, supply and demand system and raise in salary by small percentage, on which special deep study is needed (Ref: Al_Quraan_002.278-279, 002.219).

It is not the Wealth (Gold or Silver) or Power which could save the people from Global Poverty. Allah seized Qaroon, Pharaoh, and Hamaan and many others, for their crime against humanity and nothing could save them including their wealth, power or people etc. (Ref: Al_Quraan_029:039). However world didn't end there, but even without their wealth and power, it had re-developed. Those who never faced real poverty for years may never understand its solution, unless they have really took the Guidance from the Quraan. **It is 100% guaranteed to save the world globally, if we truly apply the guidance from the Quraan.**

Global System must be balanced to overcome the Global Poverty in the light of the Quraan. It must follow the basic rule to TAX the GREEDY not the NEEDY and TAX on SAVING NOT SPENDING without wasting or over spending. It must ensure that people are not thrown out from their home. Education must be provided to all with internationally recognized high standards on reduced rate if not for free, which must have good parent-teacher relation. Burdon of debt should not be put on students for their studies including professional studies, so that they can concentrate more on study to acquire more knowledge to help the society than worrying on how to pay debt. Earnings must be balanced for each skillsets people may have, so that they don't rush to only few skillsets. Special encouragements must be given to those who sincerely and devotedly work hard to help the system in a balanced way. Many times top management neglect those who are the foundations of their team and who are working at lower ranks and due to ignorance their morals are down, which might affect productivity.

If one region is rich in minerals, then other could be rich in oil or gas or foods or even manpower etc. Global System must be balanced by sharing all the resources in a balanced way, otherwise more and more disasters may come in the shape of poverty, and innocent people may not have any choice than come to street violently, since they cannot see their infants crying for milk, food and other basic needs.

Avoid loans, avoid waste and stop greediness as much as possible keeping in mind how much is too much to help stabilized the Global World (Ref: Al_Quraan_009.060, 025.063-067).

It is time now to open our eyes and correct ourselves to serve the humanity in the light of Quraan, since the Quraan gives the true guidance to fix the system to save the Humanity in a balanced way (Al_Quraan_002:002).

Allah Never Destroys any Good Nation (Ref: Al_Quraan_011.116-117). Do not turn out people from their homes (Ref: Al_Quraan_002:084). Saving a Life is like Saving the Whole World. (Ref: Al_Quraan_005.032). There is NO Compulsion in Religion. (Ref: Al_Quraan_002:256)

We all need to help as much as we can to build the Global World for the better future for our kids, only then we can hope that our kids will have the fruits of it and will pray for us. Educate yourself including your kids and keep your knowledge up to date according to time, as much as possible without wasting a minute. If you have good knowledge, you must teach others or share with others for free if possible (Ref: Al_Quraan_096.001-005).

Think of old time ten organizations in which one thousands of employees working in each organization. Then came industrialization and heavy machinery and robots took places of human. Naturally many of the workers got Layoff and are off the jobs. Initially these Businesses thought that they will save lots of money by Laying off those workers, but did not realize that those were also customers of other industries as well. BUT due to Layoff, they don't have enough money now to buy, so in reality those businesses lost their customers as well by Laying off their employees. This is just a simple example to start understanding the consequences which could be much better if we think about saving the humanity. Yes, industrialization and robotics are very good but we need to start thinking **DIFFERENTLY** to save the humanity to build Whole New World. There could be many projects we can collectively initiate at Global Level to provide those laid off workers. **Remember: Layoff means more Poverty and more Crime, unless Employer must have been provided to lay off people guaranteed alternate options for their survivals. Services cut down at Hospitals means danger to our health, Services cut down at Fire Station or Police means our life/security is in more danger etc.**

People do not have any plant/tree which grows money, since Money does not grow in any plant/tree.

Money is not a concern for the Global Recovery, but it is the Global System, which needs to be fixed.

It is not the Wealth (Gold or Silver) or Power which could save the Global World from Global Recession. Allah seized Qaroon, Pharaoh, and Hamaan and many more, for their crime against humanity and nothing could save them including their wealth, power or people etc. (Ref: Al_Quraan_029:039). World didn't end there, but even without their wealth and power, it had re-developed.

Locally I am Sorry Globally YES we can Recover Global World with 100% Guaranteed upon FULL support from Global People, Inshaa Allah (by God willing).

I invite you all to join this Noble Mission and invite others to join it to save the humanity without any discrimination of religion, race, color, gender, language or nationality etc.

It will be a Great Global Charity to save Global Humanity and Allah will give Great Reward, Inshaa Allah.

Thinking locally while living in Global World will not save our Global World. **Student must have Free Education.** Repeatedly Relying on the Same Corrupt or Incompetent Person will NOT Change the Fortune of a Nation or Global World. Do not even think to try to re-appoint those who were failed to protect the corruptions in the land.

Neither I am a singer nor a poet

Rather an activist for the Whole New World

No one can fix the world alone

Together, we will achieve our Heavenly Goal

NO CLOSE DOOR MEETINGS & NO HIDDEN SECRET AGENDA

WORLD HAS ENOUGH TO FEED BUT NOT GREED

Locally, I am Sorry. **Globally, YES** we can fix Global System with your full support, **100% Guaranteed**, Inshaa Allah
