

In the Name of Allah, Most Gracious, Most Merciful

Unite Pakistan or Divide Pakistan

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

It is not restricted to Pakistan only, but now you can see sever ALARMS are ringing around Muslims all over the world. You name it, in the shape of Tsunami, Flood, Storm, Earthquake and cruel and/or ignorant rulers are on us. Great Earthquake and Severe Historic Flood in Pakistan is not too long ago and still people remember that, which is on top of Tsunami in Indonesia which killed millions of Muslims. Now, it is time to re-think on each and every issue on case by case method. Please do not restrict your thinking towards Pakistan and other Muslim countries only, BUT also include Global World to build Whole New World without any discrimination. Articles based on Solution to Humanity in the light of the Quraan, without any discrimination is the key to build our Heavenly Earth. Here I am giving Pakistan as an example, but rest of the countries must also correct themselves according to the Quraan, true book of guidance for the mankind.

Justice is the key to save and Unite Pakistan. Our thinking is limited, that is why we need to take the guidance from the Quraan. In the Quraan Allah says to pay the poor due (Zakaat), since Zakaat increases the wealth and this is Allah's Math, which is beyond the thinking capacity of any human, (Ref. Al_Quraan_030:039).

Justice might be broken if you think giving pocket money to your elder son for all your sons is enough and he will divide justly, it is your mistake, and your own elder son might cheat his own brothers and grab all money unjustly, even though they are his younger brothers, and you may be questioned on the Day of Judgment, (Ref. Al_Quraan_038:023-024). A judge must listen to both parties before making any decision. Joint family could cause unjust among themselves, (Ref. Al_Quraan_002:188).

Pakistan got divided in **1971**, when Sheikh Mujibur Rahman of East Pakistan (now Bangladesh) won the election, but Pakistan government didn't hand over the government to him, so Bangladesh got formed, which started due to unjust with the East Pakistan (now Bangladesh). Pakistan is still doing unjust to their own citizens who are in minorities, which may cause further division if not provided true justice.

Pakistan must take lessons from Canada as well, where there is multiculturalism and they are trying their best to do true justice with all ethics in Government, Defense and other Public and Private sectors at all levels, without any discrimination. Canada is more practicing Quraanic Islaam on the matter of Justice than many of the current Muslim Countries. It is BIG shame on by named Muslim Countries for not presenting true examples of justice according to the Quraan.

Many of those who are in Power always try to force others and specially minorities unjustly, since they follow their own desire instead of taking guidance from the Quraan and behave like Qaroon, Haman and Pharaoh, etc. Allah already told to do true justice and clearly declare those who are unjust as disbelievers, (Ref: Al_Quraan_005.044-047).

Might is Wrong in the Quraan:

... Most of the people do not know, (Ref: Al_Quraan_007:187).

... Most of the people do not believe, (Ref: Al_Quraan_011:17).

... But most of them are defiantly disobedient, (Ref: Al_Quraan_003:110).

... Most of them lack wisdom, (Ref: Al_Quraan_005:103).

... You will not find most of them grateful [to you] , (Ref: Al_Quraan_007:017).

And they say: We have more wealth and children, and we shall not be punished, (Ref: Al_Quraan_034:35).

And most of them follow not except assumption. Indeed, assumption avails not against the truth at all. Indeed, Allah is Knowing of what they do, (Ref: Al_Quraan_010:36).

Or do you think that most of them hear or reason? They are not except like livestock. Rather, they are [even] more astray in [their] way, (Ref: Al_Quraan_025:44).

Majority could be wrong, because of not take Guidance from the Quraan. Re-Analyze all countries, provinces, states, cities and villages. Also Re-Analyze Defense, Public and Private Sectors as well. Who are doing unjust and becoming Mr. **100%**. Perhaps on the Day of Judgment Allah may declare them as disbelievers and that will be too late, (Ref: Al_Quraan_005.044-047).

Quraan Loves those Minorities, who take Guidance from the Quraan:

... But how few are they, (Ref: Al_Quraan_038:024)

... They believe not, except for a few, (Ref: Al_Quraan_004:046).

... None had believed with him, except a few, (Ref: Al_Quraan_011:040).

Is He [not best] who responds to the desperate one when he calls upon Him and removes evil and makes you inheritors of the earth? Is there a deity with Allah? Little do you remember, (Ref: Al_Quraan_027:062).

... How many a small company has overcome a large company by permission of Allah. And Allah is with the patient, (Ref: Al_Quraan_02:249).

Allah loves those who are just regardless of any discrimination of Majority, Minority, Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old etc., (Ref: Al_Quraan_002:195, 002:215, 002:222, 003:030, 003:031, 003:076, 003:104, 003:146, 003:159, 004:128, 005:008, 009:108, 011:061, 064:016).

Things to Do:

To stabilize Pakistan, every Pakistani needs to work as a team to help each other with true justice. It will be totally unfair if a person or a group forcefully grabs whatever he/she/they can, which might be labeled as **Mr. 100 %**. Recognizing each and every person/group/sect etc. at all levels is the key to save the Pakistan. Many times those who deserve to be recognized due to their noble efforts are neglected by those who are in power.

It is ok if a person/group/sect/province wants separation to have more freedom, he/she/they will still be part of Pakistan, since there is no compulsion in religion/beliefs etc., (Ref: Al_Quraan_002:256). Allah has made tribes/nations and no one has right to force others, (Ref: Al_Quraan_007.160, 049.013).

Similarly, it is ok if two or more persons/groups/sects/provinces/countries want to join together and reconcile their thoughts, since there is no compulsion in religion/beliefs etc., (Ref: Al_Quraan_002:256).

For an expanding universe, which includes Pakistan's expansion as well, it is necessary to rethink and redevelop our country. **Below are golden advises for better service to the Citizens of Pakistan:**

If a city's population increases over 7,000,000, it must be divided into two cities.

If a province's/state's population increases over 30,000,000, it must be divided into two provinces/states.

If there are large group of people above 7,000,000, of different faith/believe/sect/language etc. in a province/state, it must be divided into two provinces/states without breaking countries. **Cross marriages among different sects is the key to keep them unite.**

Governments must support all friendly interfaith dialogues on a regular basis to build Heavenly Pakistan.

There must be true reflection of presence of all minorities at each level in public and private sectors as well as in defense and in law and order enforcing authorities in a balanced way. Western countries have already started doing justice with their minorities and you will sure find reflections at many levels and Canada is leading the world on this issue to recognize all minorities and their citizens are proud to be called themselves as Canadian.

Avoid loans, avoid wastes and stop greediness as much as possible keeping in mind **"HOW MUCH IS TOO MUCH"**, to help stabilize Pakistan, (Ref: Al_Quraan_009.060, 025.063-067).

Now it is time to open our eyes and correct ourselves to serve our citizens in the light of Quraan, since the Quraan gives the true guidance to fix the system to serve the Humanity in a balanced way, (Ref: Al_Quraan_002:002).

Allah Never Destroys any Good Nation, (Ref: Al_Quraan_011.116-117). Do not turn out people from their homes, (Ref: Al_Quraan_002:084). Saving a Life is like Saving the Whole World, (Ref: Al_Quraan_005.032). There is NO Compulsion in Religion, (Ref: Al_Quraan_002:256).

All Pakistanis need to help as much as they can to build Pakistan for the better future for their kids, only then they can hope that their kids will have good fruits of it and will pray for them. Educate yourself including your kids and keep your knowledge up to date according to time, as much as possible without wasting a minute. If you have good knowledge, you must teach others or share with others for free if possible, (Ref: Al_Quraan_096.001-005).

If you lend unto Allah a goodly loan, He will multiply it for you and forgive you; and Allah is the Multiplier (of rewards), Forbearing, (Al_Quraan_064.017).

Forgiveness without Repentance has no Meaning and is like a joke/fun with Allah (God)

Respect all Human, without any kind of Discrimination of Religion, Race, Sect, Gender, Color, Nationality, Rich, Poor, Young or Old. Stop Genocides of Week, Poor and Minorities. United We Stand and Divided We Fall.
