

No More Mistakes & No More Differences

Allah's Anger is on Rise, since many of us still disobeying him practically, while Islaam is a Practical Religion. Allah is sending Tsunami, Earthquake, Flood and Cruel Ruler etc. on us. One of the reason is because of the gap (differences) as well. We have differences in Faith, Tauheed, Salaat, Zakaat, etc. **Do not dispute among yourselves**, (Ref: Al_Quraan_008.046).

We need to open our eyes. We have seen effects and we need to find out the cause of it. Cause and effects are related to each other. By closing our eyes problems will never get solved. We need to see little deeper, including little inside hidden things. We see the multistory building but we never try to see the foundation. We need to see from every angles. The roof, the wall, the door, the window and of course the foundations and don't forget the material we used. **Think again**, why we Muslims are so divided and who is taking benefits from it and destroying us, one group at a time and who knows next could be you.

Generally people **Blindly** learn from their parent and society or sect and he believes that, **what he is doing is right.** Because of these problems, he is so rigid and never ever thinks to change himself. Lets see what Allah says in Quraan about them, (Ref: Al_Quraan_031.021).

As for those who **Divide their Religion and break up into Sects**, you have **NO** part in them in the least (**They are Not Muslim**): their affair is with Allah. He will in the end tell them the truth of all that they did, (Al_Quraan_006.159).
