

Importance of Education in Women

If Female is well educated, she can take care her kids in a better way, and help them do their homework and if she knows driving as well, she can pickup and drop-off her kids. Females are after all Human beings and they may get sick, so some of them must be Good Doctors and Nurses. To teach Female Doctors and Nurses, some Females must be Good Teachers. In Brief you cannot have a well decent and educated society without educated Female. If Females are left behind then it will lead the society poor and backwards, what is happening in most parts of the world. If Women are left uneducated the whole race of Muslims may be left uneducated. Wherever Allah mentioned about education, it also includes Female as well. Female is the principal part in a family success. To ask Allah for education, “**RABBEE – ZIDNEE – ILMAA**” is for Female also. At least, if Females are well educated enough, they can do good Dawah, while men are busy in their work. **Educate Girls & Change World**
