

Effective Communication

Effective communication is important for living systems for power, control and survival. Without effective communication societies or systems cannot organize themselves or perform desired functions.

Living systems or societies are information processing units and information can only be communicated effectively if the communication channels are free from any disturbance or noise.

As an example: For transactions in banks, they need error free transactions, "NOT A SINGLE MISTAKE".

True Contents, Style, Audience, Repeating & Reminding and Listening Attentively are the Key Ingredients for the Effective Communication.

Allah told to listen to the Quraan with full attention is a part of Effective Communication, (Ref: Al_Quraan_007.204). **Never Stop: Listening, Learning and Thinking**

Allah told to mind your language, (Ref: Al_Quraan_004.148, 010.015 - 016).

Anger / Anxiety (Stress or Tension) hurts you, specially if it is from the loved ones. Don't do the Great Mistake that "I am Right". Both the prophets Musaa (Peace-Be-Upon-Him) and Khizr (Peace-Be-Upon-Him) were prophets and obeyed Allah BUT disagreed on some of their mission. There is NO Compulsion in Religion/Belief, (Ref: Al_Quraan_002:256). "To you is your religion, and to me is my religion", (Al_Quraan_109:006). It is time to UNITE not DIVIDE.

Invite (all) to the Way of thy Lord with wisdom and beautiful preaching; and argue with them in ways that are best and most gracious, (Ref: Al_Quraan_016.125).
