

Purpose of Life in the Quraan

I have created Jinns and Mankind only to Worship Me (Allah), (Al_Quraan_051.056).

Worship to Allah from Cradle to Grave which includes Children to Grand Parent. Our Prayers, Sleep, Rest, Awake, Study, Work, Family Life etc. MUST be according to the Quraan, then everything becomes Worship. Marriage is a boundary Limit from Allah. Always be Thankful to Allah. Best Example for us is Prophet Muhammad (pbuh).

O mankind! Fear your Lord, who created you from a single soul. He created its mate from it and from the two of them spread countless men and women. Fear Allah, in whose name you appeal to one another, and be mindful of your obligations in respect of ties of kinship. Allah is always watching over you, (Al_Quraan_004.001).

Each and every couples are like Creating New World from them.

And those who pray, "Our Lord! Grant unto us spouse and offspring who will be the comfort of our eyes, and give us (the grace) to lead the righteous", (Al_Quraan_025.074).

And among His Signs is this, that He created for you mates from among yourselves, that You may Dwell in Tranquillity with them, and He has put Love and Mercy between your (hearts): verily in that are Signs for those who reflect, (Al_Quraan_030.021).

NO Tranquillity without Marriage

Reviving Islaam for 21st Century & Beyond
