

Marriage is Fard Obligatory in Quraan

To understand it that Marriage is Fard/Obligatory, first we need to look at the concept of Hajj. Hajj is Fard on those who can Financially and Physically afford it, although Allah didn't mentioned that way (... Whoever intends/niyat to perform Hajj ...), perhaps not to hurt feelings of those who cannot afford it BUT it is understood this very well. Every single Muslim Love to go for Hajj once in their lifetime, (Ref: Al_Quraan_002.196-197).

... Those who are not in a position (not rich) to marry free believing women, [let them marry] believing maidens from among those whom you rightfully possess ... (Ref: Al_Quraan_004.025).

In the above verse Allah is saying if one cannot afford free women, then marry slave/maiden. **NO Tranquility(Sakinah) without Marriage**

Marry those among you who are single, or the virtuous ones among yourselves, male or female: if they are in poverty, Allah will give them means (Sustain after marriage NOT before) out of His grace: for Allah encompasses all, and he knows all things, (Ref: Al_Quraan_024.032).

In the above verse Allah is saying Rich MUST help poor to get married.
