

Economical Marriage

Marriage is not just a union of a man and a woman rather it is union of two families. We learn from each other and move forward and try to make our small world Heavenly Likely. Do not expect from a Doctor women to make round roti / chapatti / bread, instead help her to help humanity. Working women deserve to share their workload from their spouse/relatives for housekeeping with true love.

The Quraan directs to have simplicity in all aspects of life including Marriage. Always keep in mind that the Top Most Priority Allah put on us is Saving a Life is like Saving the Whole World, (Ref: Al_Quraan_005:032). Make sure to keep your marriage ceremony very simple as directed by the Quraan, NO Racing on Big Functions, NO Showoff (NOT like winning a battle by capturing the bride as a slave). Help the needy by all means if you can.

In Islaam, marriage is a blessed permanent contract between a man and a woman for the whole life, in which each becomes "permitted" to the other, and they begin the long journey of life in a spirit of love, cooperation, harmony and tolerance, where each feels at ease with the other, and finds tranquility, contentment and comfort in the company of the other. The Quraan has described this relationship between men and women, which brings love, mercy, harmony, tranquility, trust, understanding, co-operation, mutual advise, compassion establish a Muslim Family, in the most moving and eloquent terms, (Ref: Al_Quraan_030:021).

Now during worse Global Economic Downturn where rich are becoming super rich and poor are becoming super poor and where 1% are extreme riches and 99% are extreme poor, it is becoming hard for an ordinary person to get marry. In this situation women are allowed to work, but still men must have to pay the dowries to their wives at the time of marriage and practically support her for maintaining house work as well. We must come forward to help poor to get marry, (Ref: Al_Quraan_024:032). We must reduce our budget, with NO showoff, NO racing of big parties including on marriages etc. **Remember:** If people are left without marriage then there are wide chances to increase in illegal sexuality which includes adultery/rape and homosexuality etc. https://www.global-right-path.com/Downloads/Marriage_Guide_in_Quraan.pdf

Purpose of marriage is to obey Allah, protect themselves from illegal sex, and to have loving family for whole life etc., (Ref: Al_Quraan_005:005, 066:006). Remember: Educated men are for educated women, (Ref: Al_Quraan_033:035, 039:009). For more detail: <http://www.global-right-path.com/Downloads/MarriageCounseling.pdf>
