

Doctors or Lawyers or Rulers or Scholars Mistakes

When a **Doctor** makes mistakes, his patients might go **6 feet down the earth** in the Grave in this world.

When a **Lawyer** makes mistakes, his clients might go **6 feet above the earth** hang till death in few countries or states etc. in this world.

When a **Ruler of a country** makes a mistake, **whole citizens are ruined** in pain in this world.

BUT when a **Religious Scholars** makes mistake, his **followers are ruined** in this world and might go to the hell for ever.

People learn from their parent and society or sect and he believes that, what he is doing is right. Because of these problems, he is so rigid and never ever thinks to change himself. Let's see what Allah says in the Quraan about them.

Blind Faith: When they are told to follow the (Revelation) that has sent down, they say: **nay, we shall follow the ways that we found our fathers (following)**. What if it is Satan beckoning them to the Penalty of the (Blazing) Fire, (Al_Quraan_031.021)?

Think again, why we Muslims are so divided and who is taking benefits from it and destroying us, one group at a time and who knows next will be yours. It is only the concept that **I am right**. Islaam spread from Makkah al-Mukarramah (مكة المكرمة) to the rest of the world and not the other way.

They have made their Priest (Scholars) and their anchorites as their Lords. There is no God but Allah, (Al_Quraan_009.031).

Verily Allah will never change the condition of a people until they (first) change it themselves, (Al_Quraan_013.011).

And if you turn away, Allah will exchange you for some another people, and they will not be like you, (Al_Quraan_047.038).

As for those who Divide their Religion and break up into Sects, you have NO part in them in the least: their affair is with Allah. He will in the end tell them the truth of all that they did", (Al_Quraan 6:159).
