

Part Time Muslims are Hypocrites

Reason for Downfall of Ummah: ... Do you believe (Practice) in one part of the Book (Quraan) and deny another part of it? Those of you who act thus shall be rewarded with disgrace in this world and with a severe punishment on the Day of Resurrection. God is never unaware of what you do, (Ref: Al_Quraan_002.085).

If we look at present day Muslims and analyse them, vast majority of them are Part Time Muslims (Hypocrites) since, they practice on ONLY selected part of the Quraan BUT claim that they are True Muslims. From East to West and from North to South where ever you see their conditions, they are falling one after another and that is the sign that these are the Curse of Allah on them because of their acts.

All the Hadeeth Writers were from ancient Persian Empire. Fatimid Caliphate ruled large Muslim Populations from 909 - 1171 and spread Hearsay from Al-Azhar University in Cairo in Egypt to Deviate Ummah from the Quraan. Al_Bukhari collected nearly 600,000 narrations, while he recorded only 7397, by rejecting vast majority of Hadeeth by keeping around 1% of Hadeeth. In worldly matters we reject completely if any of the products fails tests in such a high percentages. We FAILED to cleanup YET. Change yourself according to Quraan NOT reverse.
