

Quraan is Healer

The Quraan is TRUE Healer for all TRUE Believers, BUT perhaps you willingly or unwillingly doing False Allegations on Allah because of your wrong belief, so it may NOT heal you and you are facing all type of consequences. Follow the Quraan alone in spirit or ready to face more consequences.

Believing on that on the Night of Journey (Isra and Miraaj), Prophet Moses/Musa (PBUH) emphasizes Prophet Muhammad (PBUH) to go back and ask Allah again and again to reduce Salaah (Prayer) from 50 times to 5 times a day is clearly False Accusations on Allah and is clear SHIRK as well. Allah's words are final and never changes. When people ask Prophet Muhammad (PBUH) to change the Quraan, Revelation came to tell that it not on his hand to change it.

Believing on that the Quraan was compiled much later after Prophet Muhammad (PBUH) or believing that the Hadeeth Bukhari or Muslim etc. are explanations of the Quraan is clearly False Accusations on Allah and is clear SHIRK as well. During the Life of Prophet Muhammad (PBUH), Allah has completed the Quraan from A to Z which includes explaining all matters in detail and compilations as well as is protected by Allah. For detail please read the Quraan with full understanding/translation.

We MUST refrain from all kinds of hearsay and MUST take guidance from the Quraan alone and build more Quraanic Educational Centers to explain the Quraan alone. All Hadeeth writers were from Persian Empire who secretly deviated Muslims from the Quraan. Promoters of Hadeeth are Deniers of the Quraan. MUST Ponder on the Quraan & make sure to TEST each and every Hadeeth.
