

Shaytaan's Handiwork are Curse on Humanity

O you who believe! **Intoxicants** (Alcohol, Cocaine, Heroin etc.) and **Gambling** and **Idolatrous** practices and **Fortune Telling** are only an **evil/uncleanness**, the **Shaytaan's (Iblees the Greatest Devil) handiwork**; shun it therefore that you may be successful. Satan seeks only to cast among you enmity and hatred by means of strong drink and games of chance, and to turn you from remembrance of Allah and from (His) worship. Will you then have done? Obey Allah and obey the messenger, and beware! But if you turn away, then know that the duty of Our messenger is only plain conveyance (of the message), (Al_Quraan_005.090-092).

Shaytaan (Iblees the Greatest Devil), who is extremely clever, intelligent and experienced (since the time of Adam), he deviates people from the path of Allah than anyone on this planet earth. Since you cannot see Shaytaan, so you cannot convince him, advise him nor beat him nor kill him. Shaytaan's main objective is deviating people from the Quraan, (Ref: Al_Quraan_002.208, 007.014-018, 035.009, 060.061). May Allah protect us from all evils of Shaytaan and help us to follow the true path of Allah, AMEEN. **Shaytaan's Plan is Wiping Humanity.**

Although **Iblees** (Shaytaan) may never ask you to seek refuge of Allah from Shaytaan, BUT as soon as you stop reciting the Quraan with understanding or stop practicing the Quraan, **he may try to deviate you from the Quraan, again and again.** Shaytaan becomes extremely angry if anyone tries to understand the Quraan to practice it or practically following it. Shaytaan always comes as a true friend and tries to prove you that he is the best friend ever and then intelligently and very slowly deviates you from the Quraan in a way that you might not understand and he also try to exploit you to act violently. Shaytaan may try one to do more and more extra prayers (good actions) or reciting the Quraan without understanding it, so that you don't know what you are doing, is it according the Quraan or against the Quraan or you may get too tired to fulfil other necessary/obligatory (FARD) commandments of Allah after doing those extra prayers (good actions) or concentrating only on few commandments while neglecting other commandments of Allah, etc. Tricks and Plots of Shaytaan are many and we need to make special Duaa from Allah to protect us and help us to follow the commandments of Allah, AMEEN. Saving a Life is like Saving the Whole World, (Ref. Al_Quraan_005.032).

1> You Must Believe in the Quraan 2> You Must Read the Quraan with understanding/translation 3> You Must Understand the Quraan 4> You Must Practically Act upon Teachings of the Quraan in spirit 5> You Must Convey the Messages and Teachings of the Quraan to others: **OTHERWISE you are welcoming Curse of Allah**; For more detail:
