

Why Muslims Lagging Behind in Technologies

How Ummah Diverted from the Quraan and Trapped in Conspiracy? In the struggle for power and domination the Quraan had been the biggest challenge to the Hypocrites. Although, they could not stop Muslims from obedience of the Quraan BUT they succeeded in giving them very wrong concepts about it. That was a great conspiracy which took them three centuries to establish false beliefs and practices among the Muslims. These beliefs and practices are now falsely included into the Book of Hadeeth of the Prophet (PBUH), since they cannot modify the Quraan, which is protected by Allah.

During the life time of the Prophet (pbuh) and his companion, it was impossible to say anything against the Quraan but after them there was no check. Hypocrites had flooded the Muslims world with LIES and fabrications against the Quraan. If anyone questioned that such and such belief or practice is against the Quraan the reply had always been, like today, that this is Sunnah of the Prophet (pbuh). This way the Hypocrites took away the Quraan from Muslims and succeeded in inflicting upon them an ignominious life. **Remember:** Each and every single Ayaat of the Quraan is FOUR-IN-ONE i.e., it is Word of Allah, Saying/Hadeeth of Prophet Muhammad (PBUH), since it came from HIS mouth, Sunnah of Prophet Muhammad (PBUH) since he had practiced on it 100% , and Stories of many Prophets (pbuh).

Now, what happens they read lot of the Quraan but for Thawab only and not for guidance for them. They establish prayers but to worship Allah and not to combat Fohsha wal Munkarat. They pay regular charity but to purify the wealth and not for its circulation among all classes in the society. And, when you ask them why they are doing this? Everyone will reply this is Sunnah of the Prophet (PBUH). And if asked who told this is Sunnah? They will name anyone from among the Companions who lived during the first century - for example, Abu Huraira (ra), Omer (ra) or Aisha (ra) reported this and that. When asked who told this? They will name anyone from Taabe'heen or Tabb'a Taabe'heen who lived during the second century. When asked further they will ultimately confess that all this stuff came to us through Bukhari and other Mohaditheen who lived during the third century.

In other words, **Muslims are trapped in a great conspiracy.** They are deceived to follow the path which is not found in the Quraan. They think they are treading into the footsteps of the Prophet (PBUH) but, in fact, they are treading into the footsteps of Shaitaan. The interesting aspect of this conspiracy is that no one feels guilty. In spite of, all the sufferings and humiliations they are proud of what they are doing in the name of the Prophet and Islaam. No one likes to come out of this darkness. And, if any blessed soul endeavors to show them the right path they consider him an agent of the Enemy of Islaam. **One wonders, what else the Enemy of Islaam want to do with the Muslims.** For more detail:
