Keeping Dog Halaal or Haraam?

By Irshad Mahmood – Director, Siraat-al-Mustaqeem Dawah Centre

Traditionally, dogs have been seen as impure, and the Islamic legal tradition with clear references from the Hadeeth has developed several injunctions that warn Muslims against most contact with dogs. Now it is extremely hard to convince people that there is not a single verse in the Quraan which prohibits people from keeping Dogs, rather it permits with clear examples of keeping Dogs for our benefits. When we give any references from the Quraan misguided Muslims exploited by misguided Mullas start fighting with those who are presenting clear references from the Quraan and so are becoming Liars of the Quraan and don't even feel shame for it. For sure they will be questioned on the Day of Judgment.

Every animal has some natural need, and only human have developed proper clean washroom. If anyone wants to keep any animals, he/she must take care of it to make sure inside house is clean all the time, till someone discovers dog pampers or cat pampers etc. Also where ever they want to keep them in the farm etc., make sure to keep those places hygienically clean all the time, to prevent the birth as well as spread of germs.

Dogs are mentioned, not just once, (Ref: Al_Quraan_005:004, 007:176, 018:018, 018:022). **NO WHERE** does Allah call the dogs dirty animals or gave any indication that they should be avoided or treated the way many Muslims including misguided Mullas think they should. Actually the story of the people of the cave (Ref: Al_Quraan_018:018, 018:022), gives the indication that we should appreciate it. The people of the cave, **3, 5 or 7** were mentioned in the Quran and every time God insists on letting us know that their dog was there with them. Their story can be as complete without the mention of the dog, but God did, Why? God is telling us these righteous people were in the cave with their dog, if it is not righteous to have dogs, God would not have told us that story in which the dog has to be remembered as being there.

Fabricated Hadeeth which contradict the Quraan, were falsely attributed to the prophet Muhammed (Peace-Be-Upon-Him). The Prophet Muhammed (Peace-Be-Upon-Him) who lived by the Quraan did not have done anything but agree with the Quraan, not contradict it. Allah gave us a Great Criteria (Quraan) to judge the truth from the man-made fabrications. If it were from other than Allah, they would have found in it numerous contradictions, (Ref: Al_Quraan_004:082).

Medical Detection Dogs:

Medical detection dogs are capable of detecting diseases by sniffing a person directly or samples of urine or other specimens. Dogs can detect odour in one part per trillion, as their brain's olfactory cortex is (relative to total brain size) **40** times larger than humans. Dogs may have as many as **300** million odour receptors in their nose, while humans may have only **5** million. Each dog is trained specifically for the detection of single disease from the blood glucose level indicative to diabetes to cancer. To train a cancer dog requires **6** months. A Labrador Retriever called Daisy has detected **551** cancer patients with an accuracy of **93** percent and received the Blue Cross (for pets) Medal for her life-saving skills.

Do NOT declare anything Haraam (Forbidden) which Allah didn't say so in the Quraan:

We are **MUST** follow the guidance from the Quraan. If you find any Hadeeth which looks like **100%** Authentic and narrations are correct BUT it contradicts the Quraan that cannot be authentic at all. **Only and only the Quraan is the book of Guidance.**

O Prophet! Why do you forbid (yourself) that which Allah has made lawful for you; you seek to please your wives; and Allah is Forgiving, Merciful. Allah has already ordained for you the dissolution of your oaths and Allah is your Protector, and He is the Knowing the Wise, (Al_Quraan_066:001-002). ... **It is NOT for me, of my own accord, to change it** ... (Ref: Al_Quraan_010.015-016).

Conclusion: In brief, it is **NOT** Haraam to own a dog, since Allah didn't say so, though it is not hygienic to keep a dog in the rooms, since it does not wear pampers etc., unless it is trained to keep inside rooms clean. If anyone wants to own a dog, he/she must keep special care of it, make regular visit to Doctor to keep it healthy. Make sure it is well trained, so that it can help you a lot in many ways.

Before passing any Fatwa, make sure it is not against fundamental direction of the Quraan.
