

# Do Dawah or Face More Destruction

The Demands of Quraan is to 1> Believe on it, 2> Read it, 3> Understand it, 4> Act on it, 5> Convey/ Propagate its Messages to others. BUT many of us are not performing our duties at all, so Allah's anger is on the rise and we are facing all types of destruction from man made to natural disasters.

Future Plan (Perhaps still ZERO for many of us): When you ask a healthy child 'What you want to do in your life?', he will tell you his plan for future plan, BUT when you ask a very old man, he will tell what he was in the past. We are acting like a Very Old and Sick Nation by saying we was, and have no future plan and still sleeping in 7<sup>th</sup> century and don't want to wake up yet, so Allah's anger is on us and day by day it's strength is increasing more, you name it, Tsunami, Cyclone, Hurricane, Storm, Earthquake, Tornado, Flood etc. including Cruel and Unjust Rulers or ruled by violent disbelievers who are butchering us again and again on top of disturbed or broken families since NOT repenting.

Allah never changes the condition of people unless they change themselves first. We need to find out where were we lost and MUST returned back to the Quraan in spirit before it gets too late.

We MUST refrain from all kinds of hearsay and MUST take guidance from the Quraan alone and build more Quraanic Educational Centers to explain the Quraan alone. All Hadeeth writers were from Persian Empire who secretly deviated Muslims from the Quraan. Promoters of Hadeeth are Deniers of the Quraan. MUST Ponder on the Quraan & make sure to TEST each and every Hadeeth to make sure there is NO smell of SHIRK or willingly or unwillingly it is NOT deviating us from the Quraan. Be Ready by all means to PROTECT Humanity without any discrimination in modern time.

Irshad Mahmood
